THIS SEPTEMBER, OUR FUTURE IS IN OUR HANDS

VOTE IN THE CALPERS ELECTION TO PROTECT OUR RETIREMENT SECURITY!

Retirement security is one of the most important issues that working people face. Our retirement security has been under attack.

Members of CalPERS need to be able to trust that the boardmembers of CalPERS, who are the guardians of our future financial security, will stand up for US, not for management, not for Wall St., and not for themselves.

SEIU has endorsed two candidates: JJ Jelincic in Seat A and Michael Bilbrey in Seat B. Both are currently on the board and have stood up for working people, because they are working people themselves. They are also both endorsed by other labor unions.

JJ Jelincic is an experienced CalPERS Board member and has served two terms as President of the California State Employees Association and is dedicated to fighting back against the attacks on our retirement security.

Michael Bilbrey is also a CalPERS Board member and serves as President of the California School Employees Association. Bilbrey is a committed defender of defined benefits pensions.
