Here is an illustration of how the CSUEU salary increases under this agreement compares to the increases the faculty will receive.

[1]   Current means after July 1, 2015 and before July 1, 2016.
[2]   CSU rounds monthly salaries by adding 50 cents, then truncating the decimal amount.
[3]   CFA received a overall 3% compensation pool during this fiscal year, but did not distribute it evenly.
          Only a 1.6% GSI was received by all CFA represented employees. Some employees may have received
          more depending on different eligibility and factors determined by CFA/CSU.
‡   CSUEU CBA expires June 30, 2017. Increases after this date are subject to future negotiations.

Calculator assumes no other changes in pay (In-range progression, re-classification, etc) other than General Salary Increases provided.
