# CSEA Chapter Register Legend

Your CSEA Chapter Register is produced during the last week of each month, and contains a list of members whose membership applications have been keyed into the database or transferred to your chapter before CSEA's month-end closing. (Cut-off time is usually the Friday proceeding the last week of the month.)

Dues amounts and payment status listed on the register is current as of the first of the month.

CSEA Membership Services can be contacted at 916-326-4300 or membership@calcsea.org.

## Report columns defined

Column name	Description of data
NAME	Member's name (in format Last, First Middle).
ID #	CSEA membership ID number. An internal number generated in CSEA's database that uniquely identifies the member.
Sub	Sub-chapter. Always blank. Used by Local 1000 Chapters to divide their members into smaller groups. CSUEU does not implement sub-chapters.
BU	CSEA bargaining unit identifier. To find the CSU bargaining unit number, remove the leading 3. (Example: 39 = CSU Unit 9.)
TPS	Type/Payment/Status. <i>Decode using the key below.</i>
Amount	Amount of membership dues received this month. For dues collected by payroll deduction, the State Controller deducted this amount from the employee's warrant during the last pay period, and paid CSUEU this amount on the first of this month.
YTD	Sum of dues received during this calendar year.
Bad Add	Bad address. If the letter "Y" appears here, then the U.S. Postal Service has returned as undeliverable at least one piece of mail addressed to this member. The member's address may no longer be current, and CSEA may no longer be able to send mailings to this address.
Address	Member's address as shown on CSEA's records. Typically originates from the membership application.
City/St/Zip	Member's address, continued.
RMKS	Remarks. <i>Decode using key below.</i>
