

Sacramento State Notifies CSUEU of Layoffs

Sacramento, Calif. (May 25, 2010)—This morning, California State University Sacramento administration notified the CSU Employees Union (CSUEU) that eight staff positions will be subject to layoff.

One of the positions is in Bargaining Unit 7, which includes such classifications as administrative support coordinator, library assistant, payroll technician, stock clerk and parking officer. The remaining positions are in Bargaining Unit 9, which includes information technology consultants, equipment technicians, accountants, instructional support technicians, and interpreters.

This follows recent notifications of time reductions or layoffs at CSU East Bay, Humboldt State University, San Jose State University, Fresno State University, CSU Bakersfield, and the Office of the Chancellor in Long Beach.

“We’re committed to protecting our members and saving jobs by exploring all mitigation options with management,” says Kim Harrington, president of CSUEU’s Sacramento State chapter. “We’ll be in contact with all the impacted employees to better understand each person’s situation and to assist them on an individual basis. We’ll further ensure that the administration abides by the CSUEU/CSU contract in all aspects of this layoff notification.”

Article 24 of the CSUEU/CSU specifies conditions under which layoffs may occur. The union will pursue strict enforcement of this article.

About CSUEU

Incorporated in 2005 after serving its members as a division of the California State Employees Association for more than 70 years, the California State University Employees Union (www.csueu.org) has built up a rich record of achievements on behalf of its 16,000 represented employees. Today it represents classified staff members at the California State University’s 23 campuses, as well as the Office of the Chancellor, encompassing such diverse job categories as registered nurses, custodians, groundswokers, library assistants, graphic specialists, information technology consultants and performing arts technicians, among many others.
