Except as provided for in this Agreement, the CSU and the Union, for the life of this Agreement, voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge of or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

A copy of the Level III response shall be sent to the complainant as long as the complainant provides an address on the complaint form. A copy of the response shall be sent to CSUEU Headquarters. If the complainant has not provided an address, the complainant's copy shall be sent to CSUEU Headquarters and CSUEU will deliver it to the complainant.

General Provisions

- 8.22 Failure of the complainant to comply with the time limitations of this Article shall render the complaint null and void and bar subsequent filing of this complaint. Failure by the appropriate administrator or President to timely respond under this Article shall permit the complaint to be filed at the next level.
- 8.23 Time limits set forth in this Article may be extended by mutual agreement. If the complainant, representative, if any, or appropriate administrator is on a leave, vacation or holiday for five (5) days or more, but less than one year, the time limits shall be extended by the length of time of such leave, vacation, or holiday.
- 8.24 In cases where it is necessary for the complainant or his/her representative to have access to information for the purpose of investigating a complaint, the complainant or his/her representative shall make a written request for such information to the appropriate administrator. The complainant or his/her representative shall have access to all information within the policies and procedures defining confidentiality which would assist in adjusting the complaint.
- 8.25 The processing of complaints filed and unresolved prior to the effective date of the Agreement may continue under the complaint procedure in effect at the time of the initial filing.
- 8.26 A complainant may withdraw a complaint at any time. The complainant shall not file any subsequent complaint on the same alleged incident.
- 8.27 The parties, by mutual agreement, may consolidate complaints on similar issues at any level.
- 8.28 By mutual agreement, a complaint may be filed at the level at which the authority to resolve the complaint resides.
- 8.29 To ensure the integrity of the complaint process, at every level a different administrator shall hear and respond to the complainant.
- 8.30 Prior to filing a complaint, the potential complainant and representative, if any, shall each be provided with one (1) hour release time for complaint preparation and reasonable time for complaint presentation at the Informal Level.
- 8.31 For training purposes, the Union may have a steward-in-training attend a complaint meeting at all levels of the Complaint Procedure, provided the steward-in-training is on his/her own time or on 5.11 (d) time and provided the steward-in-training does not participate in the meeting. The Union shall submit to the campus Human Resources Department a list of new stewards who are to be considered in training under this article.
- 8.32 After the complaint has been filed, a representative and the complainant shall be provided reasonable release time for the purpose of preparation and presentation of the complaint.

- 8.33 The procedures for securing release time for complaint processing shall be:

If the requested release time is denied for operational need, the deadline for the grievance shall be extended until such time as the release time is provided.
 - d. Requests for release time shall include: (1) at what time and location; and (2) the anticipated duration of the meeting.
- 8.34 Both parties agree that all complaint files shall be confidential. In addition, all settlements related to sexual harassment and discrimination complaints shall be confidential. Both parties agree that specific statements made and records used in complaint meetings shall be confidential.

- 8.36 The procedure (Article 7, Grievance Procedure, or Article 8, Complaint Procedure) utilized by the employee at the Level II filing shall indicate a final and binding selection of procedures. Prior to the Level II filing, the employee may convert to the alternative procedure without interruption of time limits or sequence of levels.

Except as provided for in the paragraph above, an employee may not utilize both Article 7, Grievance Procedure, and Article 8, Complaint Procedure, to adjust the allegations arising from a single set of circumstances.

ARTICLE 9

EMPLOYEE STATUS

Appointment

- 9.1 Campus position vacancies for CSUEU-represented classifications shall be posted for fourteen (14) days in the campus Human Resources Office and should be

announced in the position vacancy announcement. The CSU shall post campus position vacancies on appropriate bulletin boards and may post on the campus electronic web site. Campuses that maintain a telephone "job line" shall endeavor to continue such a service. Such announcements shall include the classification title, skill level, description of duties, desirable experience, minimum qualifications, (when applicable), salary range or subrange applicable to a skill level, specialized skills (if any), and procedures to be followed by applicants applying for such vacancies. Other position vacancy notices received by the campus Human Resources Office shall be made available in the campus Human Resources Office.

- 9.2 At the discretion of the campus open positions may be posted only on the campus for campus applicants.
- 9.3 An employee who believes he/she is qualified for a vacant position at a CSU campus or the Chancellor's Office may apply for such position within the specified application period. Applications shall be submitted to the appropriate Human Resources Office. An employee may submit, along with an application, a statement regarding his/her experience and service within the CSU. Such a statement shall be a part of the employee's application. CSU documents regarding any meritorious service by the employee at the CSU may also be submitted by the employee with an application. It shall be the policy of the CSU in filling vacant bargaining unit positions to fill such vacancies from among qualified individuals currently employed at a campus. The President may appoint outside applicants when he/she determines such action is necessary to meet the best interest of the campus by obtaining specialized skills and abilities not available from current employees.
- 9.4 If an employee applicant is not selected for a position for which he/she interviewed, the employee shall be notified he/she was not selected.
- 9.5 An employee who submits an application for a position may be required to successfully complete job-related performance examination(s)/test(s) as part of the selection process. The results of such examination(s)/test(s) shall be deemed confidential and shall not become part of the employee's official personnel file. Such examination(s)/test(s) shall be based on essential job functions identified in the position description, including any specific, posted specialized skills, and shall be administered equitably to each applicant. Upon request, an employee shall be given the results of his/her examination(s)/test(s).
- 9.6 Appointments shall be made by the President. Appointments may be temporary, probationary or permanent. Appointments to vacant positions shall be made through official written notification by the President. Such notification shall be provided upon employment or as soon as possible thereafter. Notification shall include the classification title, skill level (when applicable), and timebase to which the employee is being appointed, the initial salary, the employment status of the employee, whether there is a probationary period and, if so, the length of the probationary period, and the effective date of the appointment. A temporary appointment shall specify the expiration date of the appointment and that the appointment may expire prior to that date. The temporary employee shall be

given a minimum of fourteen (14) days notice if the appointment is to be terminated prior to the specified expiration date, unless circumstances prohibit giving such notice. A temporary appointment shall not exceed the time specified in Provision 9.52. No employee shall be deemed to be appointed in the absence of such official written notification from the President.

- 9.7 The President may make an initial appointment at any salary rate within the salary range or sub-range.
- 9.8 An employee who is appointed to a position at another campus and who begins that position within six (6) months of terminating employment from the first campus, shall transfer his/her accumulated sick leave. The transfer of retirement credit is pursuant to the regulations of CalPERS. When an employee accepts an appointment at another campus, the employee shall be cashed out of any earned vacation credits unless the employee requests and the new campus agrees, before the employee separates from the initial campus, to transfer all or a portion of the vacation credit to the new position.

Shift Change

- 9.9 When a department has a vacancy on a shift, current employees in the same classification in the same department on another shift shall be given first opportunity to request transfer to the shift with the vacancy. The decision to transfer the employee to the vacancy shall not be subject to Article 7, Grievance Procedure.

Emergency Appointment

- 9.10 Emergency temporary positions of one hundred eighty (180) days or less are not required to be posted. Such emergency temporary appointments of up to one hundred eighty (180) days may be renewed up to, but not beyond, one hundred eighty (180) days. On the ninety-first (91st) day of such an appointment, the employee shall be included in the bargaining unit.

Probation/Permanency

- 9.11 A probationary period is the period of credited service an employee who has received a probationary appointment shall serve prior to permanent status.

Probationary Period/Credited Service

- 9.12 The probationary period for an employee is one (1) year of service in a particular classification or skill level.
- 9.13 Part-time and full-time temporary service shall count as credited service for probation when granted by the President.
- 9.14 A year of service for employees in twelve (12) month positions is any consecutive twelve (12) months of full-time employment. The period of probation for an

employee in a half-time or more, but less than full-time, position is one year of service.

- 9.15 For employees serving in ten (10) month positions, a year of service is the equivalent of ten (10) months of full-time employment within a twelve (12) month period of time. The ten (10) months of required service for each twelve (12) month period shall be determined by the President upon appointment of the employee to a ten (10) month position.
- 9.16 A year of service for an employee in an academic year position is two (2) consecutive semesters or three (3) consecutive quarters of employment within an academic year at a timebase of fifty percent (50%) or more.

Service in Work Training or Work Relief Programs

- 9.17 Persons who are appointed to positions that are fully or partially funded from sources other than the CSU and/or the funding is in support of a program of work relief or work training for the utilization of the unemployed or the underemployed or prisoner/work furlough program will not receive service credit toward permanent status while serving in such positions. The CSU shall notify the Union whenever such work will be performed on a campus.

Suspension of Service Credit

- 9.18
- a. When a probationary employee goes on a leave of absence, the time served before the leave is counted in determining the remaining length of probationary service. Upon return to work, the employee shall be notified when the probationary period will end.
 - b. An employee's probationary period is extended for the same number of days such employee is on paid sick leave of over thirty (30) days, Workers' Compensation (WC), Industrial Disability Leave (IDL), Non-Industrial Disability Insurance (NDI), Military Leave or formal leave without pay (LWOP). The President shall determine if the employee's probationary period should be extended when a full-time probationary employee is placed on a partial leave of absence.
 - c. Normally, a new probationary period shall be served when an employee begins an appointment at another campus. However, the employee may be appointed with permanent status or credit toward permanency as determined by the President of the campus to which the employee is appointed.

Change in Position

- 9.19 When a position is vacant, the employee selected for a position that requires movement to a new classification or skill level may serve a new probationary period.

- 9.20
- a. If an employee is reclassified, the employee may be required to serve a new probationary period. The length of service required for such a new probationary period shall be determined by the President and shall not exceed one (1) year from the effective date of the reclassification.
 - b. A permanent employee in a position that is reclassified as a result of the implementation of a new classification or the revision of a current classification shall not be required to serve a new probationary period, provided the employee has completed probation in his/her current classification and there has been no substantial change in the employee's duties.
 - c. A probationary employee in a position that is reclassified as a result of the implementation of a new classification or the revision of a current classification shall have all probationary service in his/her prior classification credited toward probation in the new or revised classification, provided there has been no substantial change in the employee's duties.

9.21 An employee with permanent status in a lower classification or skill level who is advanced to a higher classification or skill level and is denied permanent status in the higher classification or skill level, shall have the right to return to the lower classification or skill level with permanent status in that class.

An employee in probationary status in a lower classification or skill level who is advanced to a higher classification or skill level and is denied permanent status in the higher classification or skill level shall be granted service credit toward completion of the probationary period in the lower classification or skill level provided the duties in the higher classification or skill level are substantially similar to the duties in the lower classification or skill level and the employee's performance in both classifications or skill levels has been satisfactory.

Classification Change

9.22 When an employee moves to a lower classification in the same occupational group, the appropriate salary rate in the salary range shall be determined by combining any previous service in the lower class and service in the higher classification.

9.23 When an employee moves to a lower classification in another occupational group, the appropriate salary rate in the salary range shall be determined by the President, except that in no case shall the new rate exceed the rate received in the higher classification. Determination of the appropriate salary rate in such cases shall be made by using the same criteria as would be used for an initial appointment to that classification.

9.24 When an employee moves to a classification with a higher salary range maximum, the appropriate salary rate in the salary range shall be determined by the President. The salary rate in the higher salary range shall be at least a five (5) percent increase. This provision does not apply to the implementation of a new classification structure when the original classifications are abolished and

replaced with a new set of classifications and the employees are converted to the new classifications.

In-Classification Progression

- 9.25 Movement from one skill level to a higher skill level within a classification is referred to as an in-classification progression. When an in-classification progression occurs, the appropriate salary rate in the applicable sub-range shall be determined by the President. The salary increase shall be at least five (5) percent.

Classification or In-Classification Progression Review

- 9.26 An employee may request a position classification review at any time during the year, subject to the limitation in provision 9.29. Employees in classifications with skill levels may request a skill level review related to an in-classification progression. All such requests are to be made to the immediate non-bargaining unit supervisor who shall forward the request to the campus Human Resources Office in a timely manner. If an administrator has not forwarded the request to Human Resources within thirty (30) days, the employee can file the request directly with Human Resources.
- 9.27 The classification, in-classification progression, and/or skill level review procedures shall be determined by the President. A copy of the classification or skill level review procedures shall be made available to the employee upon request and be posted on the campus web site. A set of the Classification and Qualification Standards shall be available for reference on each campus.
- 9.28 The employee shall be notified in writing of the classification and/or skill level review decision and the reason(s) for the decision within thirty (30) days after the decision has been reached. If a higher classification or skill level is granted, normally the employee shall receive the appropriate compensation of the higher classification or skill level retroactive to no later than the first day of the pay period following the date the request for the classification review was received in the campus Human Resources Office.

Employee Requested Classification or In-Classification Progression Review

- 9.29 An employee-requested classification and/or skill level review shall be completed no later than one hundred eighty (180) days after initiation of the classification and/or skill level review procedure. An employee shall not submit such a subsequent request prior to twelve (12) months after completion of a previous classification review.

Classification and/or In-Classification Progression Appeal

- 9.30 An employee may appeal the decision of a classification and/or skill level review that was requested by either the employee or management no later than thirty (30) days after such results have been provided to the employee. Such an appeal shall be filed with the appropriate administrator in the Human Resources Office. Such an appeal shall include a detailed statement by the employee indicating his/her

reasons for disagreement with the classification and/or skill level review decision. The employee shall provide a copy of such an appeal to the appropriate administrator to whom he/she directly reports.

- 9.31 A designated individual in the Human Resources Office shall hold a meeting with the employee no later than thirty (30) days after the classification and/or skill level review appeal filing. The designated individual should not be the same person who conducted the initial classification and/or skill level review. This individual shall respond in writing to the employee no later than thirty (30) days after the meeting with the employee. Such a response shall be final. If a higher classification or skill level is granted, normally the employee shall receive the appropriate compensation of the higher classification or skill level retroactive to no later than the first day of the pay period following the date the request for the classification review was received in the campus Human Resources Office. Upon request of an employee whose current classification is determined to be appropriate, the employee shall receive a report stating the primary reasons for the classification decision, but shall not have access to the working notes of the person conducting the classification review.
- 9.32 Provisions 9.26-9.31 shall not be subject to the grievance procedure, unless the grievant alleges the terms of this policy have been violated, misinterpreted, or misapplied. The classification and/or skill level decision shall not be subject to Article 7, Grievance Procedure.

Rejection During Probation

- 9.33 Any probationary employee may be separated from service at any time by the President upon written notice of rejection during probation. The employee should normally be given two (2) weeks notice of rejection during probation.
- 9.34 The notice of rejection shall indicate to an employee his/her right to review his/her personnel file and review materials in the file regarding rejection.
- 9.35 A full-time employee employed for more than six (6) months, or its equivalent for an employee in a half-time or more, but less than a full-time position, may utilize the provisions of Article 8, Complaint Procedure, beginning at Level II, to appeal the decision to reject during probation when alleging:
- a. performance evaluation procedures required by the contract were not followed;
 - b. discrimination; or
 - c. arbitrary and capricious reasons for non-retention.
- 9.36 Appeals of the decision to reject during probation shall be filed at Level II of the Complaint Procedure within fourteen (14) days of the written notice of the rejection during probation. Said appeals may be filed by an eligible employee or the Union on his/her behalf, and signed by the rejected employee.

- 9.37 If the complaint is not resolved at Level II, the complaint shall be moved to Level III for Chancellor's Office review.
- 9.38 By mutual agreement of the parties, the Level II meeting and response may be waived.
- 9.39 Unresolved Level III complaint appeals may be submitted to expedited binding mediation by filing a request to the Office of the Chancellor, with a copy filed with the Director of Human Resources at the rejected employee's campus within ten (10) working days after the Level III response.

Expedited Binding Mediation

- 9.40 The authority of the mediator is limited to affirming or revoking the decision to release from probation.
- 9.41 The scheduling of the specific hearing date and time shall be by mutual agreement between the CSU, the CSUEU and the State Mediation and Conciliation Service (SMCS). The hearing shall take place at the campus of the rejected employee. The SMCS shall determine which of its mediators shall be assigned to hear cases on a particular hearing date.
- 9.42 Hearings shall be informal and the formal rules of evidence shall not apply. The mediator will determine which party, if any, is the moving party and has the burden of proof. The order of hearing shall be as follows:

The record of the proceeding shall consist of the exhibits admitted into evidence and the notes or tape recording, if any, kept by the mediator.
- 9.44 Each party shall bear the expense of preparing and presenting its own case, including representative and witness fees, and expenses. Release time shall be authorized pursuant to the provisions of Article 8.

- 9.45 The SMCS mediator shall render a written decision in accordance with provisions 9.35 and 9.40 no later than fourteen (14) days following submission of the case. The campus, the Union representative and the rejected employee shall be noticed concurrently with a copy of the decision by the mediator. If the decision to reject during probation is revoked by the SMCS mediator, the rejected employee shall return to work as directed by the CSU within ten (10) days following the campus' receipt of the mediator's written decision. The notice to return to work from the campus shall be sent to the rejected employee via express mail to the last address provided to the campus. Upon the employee's return to work, the employee shall be retroactively placed on leave without pay status for the period between the rejection during probation and the employee's return to work and the employee shall resume probationary status for the remainder of the employee's probationary period. No service credit toward completion of the probationary period shall be awarded for the period of time the employee was placed on leave without pay status.
- 9.46 The SMCS mediator shall not have the power to issue subpoenas or administer oaths. The SMCS mediator shall rule on the specific complaint pursuant to provision 9.35 concerning the decision to reject during probation and no other matter, including claims the CSU violated the Agreement. The SMCS mediator's decision shall be subject to limitations specified in provisions 7.25 (a) through 7.25 (d). The decision of the SMCS mediator shall not be a precedent for another case or purpose.
- 9.47 Disputes concerning interpretation and application of this Expedited Binding Mediation procedure shall be resolved by the SMCS mediator.
- 9.48 The decision of the SMCS mediator shall be final and binding on the CSU, the employee and CSUEU. A decision of the SMCS mediator is subject to an action to confirm, vacate or correct in a court of competent jurisdiction in the same manner and on the same grounds as if the decision was made by an arbitrator under the parties' Agreement.
- 9.49 An employee rejected during the probationary period may not utilize the Grievance Procedure of this Agreement to appeal the decision to reject during probation.

Permanent Status

- 9.50 An employee who has completed the appropriate probationary period as defined in Provision 9.12 shall be awarded permanent status at the beginning of his/her second year of service.
- 9.51 If an employee with permanent status moves to a different classification and receives permanent status in the new classification, he/she shall not retain permanent status in the classification from which he/she moved. If an employee with permanent status in a classification receives a temporary appointment in another classification and the temporary appointment expires, he/she shall have the right to return to his/her prior classification with permanent status in that class.

9.52 The President shall grant permanent status to a temporary employee subject to the following conditions:

- a. The temporary employee shall have served in a Bargaining Unit Classification, classification series, or in a bargaining unit classification in the same occupational grouping in the CSU Salary Schedule at the campus (“at the campus” was added for clarification only) for at least four (4) consecutive years immediately prior to the granting of permanency.

ARTICLE 10

EMPLOYEE PERFORMANCE

- 10.1 Permanent employees shall be subject to annual performance evaluations.
- 10.2 Performance Evaluations should be a review of the employee's performance and should be based upon job-related criteria. Employee performance evaluations are for the purpose of evaluating individual employee performance and for providing guidance for performance development and improvement. Employee evaluations should acknowledge changes affecting the employee's position that have occurred since the last evaluation.
- 10.3 The performance evaluation of an individual with an overall performance evaluation rating of below satisfactory shall include specific information regarding the areas of concern. It is a recommended practice that the appropriate administrator counsel an employee on below satisfactory performance before it is documented in a Performance Evaluation. The substantive content and overall evaluation rating are not subject to Article 7, Grievance Procedure.
- 10.4 A written record of a performance evaluation shall be placed in the employee's personnel file. The employee shall be provided with a copy of the written record of the performance evaluation prior to its placement in the personnel file. Regardless of the overall performance evaluation rating scale, or other terms that a campus may use to evaluate overall performance, the campus shall use the term "satisfactory" to indicate an acceptable level of performance.
- 10.5 A probationary employee shall be evaluated by the end of the third (3rd), sixth (6th), and eleventh (11th) month of the probationary period, unless the employee has earlier been rejected during probation.
- 10.6 A temporary employee shall be evaluated at periodic intervals.
- 10.7 Absence of a performance evaluation will not constitute a reason for denying an SSI or MSI.
- 10.8 The evaluator shall submit a draft evaluation for the employee's review, input, and discussion.
- 10.9 The employee shall be given up to five (5) work days to review the draft evaluation and provide input, if any, to the evaluator.
- 10.10 The evaluator shall consider input provided in the five (5) work day period in preparing the final performance evaluation, and prior to placing it in the employee's personnel file.
- 10.11 Upon request of the employee or the evaluator, the evaluator and the employee shall meet to discuss the evaluation. Such a meeting shall take place within seven (7) work days of the request.

- 10.12 Upon request of the employee and subsequent to the meeting between the employee and the evaluator, the appropriate administrator, the evaluator, the employee, and the employee's representative, if any, shall meet to discuss the evaluation. Such a meeting shall take place within fourteen (14) work days of the request at a mutually agreeable time and location.
- 10.13 If an employee disagrees with the record of a performance evaluation which has been placed in his/her personnel file, the employee may submit a rebuttal statement which shall be attached to the performance evaluation. The evaluation shall be reconsidered by the appropriate administrator in light of the rebuttal statement and if the evaluation is amended, the amended evaluation shall replace the original evaluation and its rebuttal.
- 10.14 The term "evaluator" as used in this Article refers to the appropriate administrator or the person designated by the appropriate administrator to conduct the performance evaluation of an employee. The evaluator shall be familiar with the regular duties of the employee.
- 10.15 Performance evaluations shall not be subject to Article 7, Grievance Procedure, unless the grievant alleges the terms of this Agreement have been violated, misinterpreted, or misapplied.

ARTICLE 11

PERSONNEL FILE

- 11.1 One (1) official personnel file shall be maintained for each employee in the campus Human Resources Office. The term "personnel file" as used in this Agreement shall refer to this one (1) official personnel file.
- 11.2 If a campus decides to convert employee personnel files to an electronic format, it shall ensure that:
- (a) A log (including, but not limited to, name, date and purpose) shall be maintained to record all access to an employee's personnel file by any non-Human Resources employee or by a Human Resources employee for the purpose of making a personnel decision/recommendation; and
 - (b) The data is maintained on a password-protected, secure system.

Employee Access

- 11.3 The contents of an employee's official personnel file, exclusive of pre-employment materials, shall be open to his/her review and review by a Union Representative when authorized in writing by the employee.
- 11.4 An employee or his/her Union Representative may request an appointment for the purpose of reviewing the employee's personnel file. Such requested appointments

shall be scheduled during normal business hours. Within three (3) working days of a request to Human Resources, an employee and/or a union representative shall be notified when the employee and/or his/her Union Representative shall have access. The manner of access to the official personnel file shall be subject to reasonable conditions.

- 11.5 Within fourteen (14) days of his/her written request, the employee shall be provided an exact copy of all or any portion of materials officially maintained in the campus personnel file. The employee shall bear the cost of duplicating such materials, except as provided for in Article 7, Grievance Procedure, Article 8, Complaint Procedure, or when such materials have bearing on disciplinary action or pre-disciplinary matters. The cost of duplicating material shall be the amount provided in Civil Code Section 1798.33, or any substitute or successor provision of that code section (as of April 2006 the amount is ten (10) cents per page.).
- 11.6 Personnel recommendations or decisions relating to any personnel action(s) shall be based primarily on material contained in the employee's official personnel file and open to the employee's review. If a personnel recommendation or decision is based on any reasons not contained in the employee's official personnel file, the appropriate administrator making the recommendation or decision shall commit those reasons to writing and the written statement of those reasons shall be placed in the employee's official personnel file.
- 11.7 An employee shall not have access to pre-employment materials in the personnel file, except in instances when such materials are used in personnel actions.
- 11.8 An employee shall be provided with a copy of material which could lead to an adverse personnel action prior to the placement of such material in his/her personnel file.
- 11.9 Upon request by an employee, attendance and payroll records maintained separately from the personnel file may be reviewed by the employee or a representative when authorized in writing by the employee. Such attendance and payroll records shall be excluded from provisions of Article 11, Personnel File.

 - b. If the President grants the request for correction of the record, the record shall be corrected. The employee shall be sent a copy of the corrected record and a written statement that the incorrect record in question has been permanently removed from the employee's personnel file.

ARTICLE 12

CORRECTIVE ACTION

Reprimands

- 12.1 As used in this Article, the term “reprimand” shall refer to any written communication from an appropriate administrator to an employee that criticizes or otherwise comments negatively upon the personal/professional conduct and/or job performance of the employee if that written communication is placed in the official personnel file. Performance evaluations or notices of performance expectations or rules and regulations do not constitute a reprimand.
- 12.2 An employee may receive from an appropriate administrator an oral and/or written reprimand. Reprimands shall be provided in a timely and confidential manner.
- 12.3 Within thirty (30) days of the issuance of the reprimand, an employee may request a conference with the appropriate administrator who issued the reprimand to discuss the reprimand. Such a request shall not be unreasonably denied. The employee may be represented at such a conference by another employee or a Union Representative.
- 12.4 A written reprimand shall be placed in the official personnel file of the affected employee and shall be subject to Article 11, Personnel File. The employee shall be provided with a copy of a written reprimand. An employee may appeal the decision to place a written reprimand in his/her personnel file to the President within five (5) days after the conference held pursuant to 12.3 above. The President may hold a meeting with the employee and his/her representative, if any. Within ten (10) days of receipt of the appeal, the President shall provide a written response to the employee.

Rebuttal to Reprimand

- 12.5 An employee shall have the right to attach a rebuttal statement to a written reprimand in his/her official personnel file.

Removal of Reprimand from Personnel File

- 12.6 Upon the employee's request and three (3) years from its effective date, a reprimand in the personnel file shall be permanently removed. Such a request shall be promptly honored and a statement verifying the permanent removal of the reprimand shall be provided to the employee. Neither the employee request for such a removal, nor the statement verifying the removal, shall be placed in the employee's personnel file. If a notice of disciplinary action has been served on the employee and such a reprimand is related to the disciplinary action, this provision shall not be implemented. Nothing in this provision shall prohibit earlier removal of the reprimand.

Temporary Suspension

- 12.7 The President may temporarily suspend with pay an employee for reasons related to (a) the safety of persons or property, (b) the prevention of the disruption of programs and/or operation, or (c) investigation for formal notice of disciplinary action.
- 12.8 The President shall notify the employee of the immediate effect of a temporary suspension.
- 12.9 The President may terminate or extend a temporary suspension and shall notify the employee of any such extension and the anticipated completion date of the investigation, in writing. Notice may be provided by fax, electronic mail or regular mail, in addition to certified mail.
- 12.10 Temporary suspension and corrective action shall not be subject to Article 7, Grievance Procedure, unless the grievant alleges the terms of this Agreement have been violated, misinterpreted, or misapplied.

Investigatory Interviews (Weingarten Rights)

- 12.11 Upon his/her request, an employee may be represented at an investigatory interview if he/she reasonably believes that disciplinary action may result. Prior to the interview, the employee shall be informed of the general nature of the matter being investigated. He/she may request to consult with his/her representative, if any. The right to representation does not apply to meetings held exclusively to inform an employee of a previously made disciplinary decision unless the CSU proposes to discuss or modify the disciplinary decision. If the representative an employee requests is unavailable, the employee may request alternate representation. The CSU is not obliged to postpone the interview, nor to suggest or secure the alternate representation; however, the employee shall not be required to answer any questions without a representative present, unless he/she voluntarily chooses to do so. At its discretion, the CSU may decline to hold any interview if the employee requests representation.

ARTICLE 13

RESIGNATIONS

Automatic Resignation

- 13.1 An employee who is absent for five (5) consecutive workdays without securing authorized leave from the President shall be considered to have automatically resigned from CSU employment as of the last day worked. All unauthorized absences, whether voluntary or involuntary, shall apply to the five (5) consecutive workday limitation. The five (5) day period referred to above shall commence at the beginning of the first shift of such absence and shall be deemed to have been completed at the end of the employee's scheduled work hours on the fifth (5th) consecutive day of unauthorized absence.
- 13.2 The President shall notify the employee that the University will be separating him/her by automatic resignation under this Article unless the employee requests an administrative review regarding his/her absence within seven (7) work days following such notification. No automatic resignation shall be final until the seven (7) work day period has passed and either a decision is made by the reviewing officer or the employee has failed to request a review. Notification shall be in person or by certified mail to the employee's last known address, and may additionally be provided by fax, electronic mail or regular mail.
- 13.3 If the employee responds to the notification from the President by requesting an administrative review within seven (7) work days of such notification, the employee will be provided with the opportunity to respond, either orally or in writing, to a campus reviewing officer designated by the President. Either party may present evidence at any review meeting. The reviewing officer's decision, which shall be rendered within fourteen (14) days of the administrative review, shall state:
- a. whether the employee was absent for five (5) consecutive workdays;
 - b. whether the employee had proper authorized leave to be absent;
 - c. whether the employee has presented a sufficient excuse to warrant continuation of employment, supported by facts which provide justification of the absence or continuation of employment. If an action other than automatic resignation is proposed, it shall be stated along with reasons for its use; and
 - d. whether the employee should be separated by automatic resignation.
- 13.4 Any employee who is reinstated by the President under this provision shall not be paid salary for the period of unauthorized absence unless it is determined that such absence may be appropriately charged to accrued leave. The employee shall adhere to all other reinstatement requirements set forth in writing by the President.

13.5 This Article shall not supersede Section 89541 of the California Education Code or any substitute or successor provision of that code section. Provisions 13.1 through 13.4 shall not limit an employee's right to a State Personnel Board appeal.

Voluntary Resignation

13.6 An employee who resigns from his/her position shall be terminated as of the effective date of the resignation.

- 14.4 Intermittent employees earn vacation credit in accordance with HR/Leaves 2002-01 or in any superseding Technical Letter, if applicable.

Vacation Credits

- 14.5 For purposes of computing vacation credit, an employee who works eleven (11) or more days in a monthly pay period is considered to have completed a month, a month of service, or continuous service. When an absence without pay of more than eleven (11) consecutive working days falls into two (2) consecutive qualifying monthly pay periods, one (1) of the pay periods is disqualified.
- 14.6 An authorized leave of absence without pay shall not be considered service for the purpose of vacation accrual.
- 14.7 Vacation credits are cumulative to a maximum of two hundred and seventy-two (272) working hours for ten (10) or less years of qualifying service or three hundred and eighty-four (384) working hours for more than ten (10) years of such service. Accumulation in excess of this amount as of January 1 of each year shall be forfeited by the employee. An employee shall be permitted to carryover more than allowable credits when the employee was prevented from taking enough vacation to reduce the credits because the employee (1) was required to work as a result of fire, flood, or other extreme emergency; (2) was assigned work of priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; or (4) was prevented from using vacation previously scheduled to be taken in December because of being on paid sick leave.

Vacation Requests

- 14.9 Requests for scheduling vacation shall be submitted in writing to the appropriate administrator at least thirty (30) days in advance. When authorized to do so by the appropriate administrator, an employee may take vacation without submitting such a request. If an employee submits a vacation request for five (5) days or less with less than thirty (30) days notice, such request will be approved subject to operational needs. The appropriate administrator shall respond in writing to an employee's vacation request as soon as possible. The appropriate administrator shall respond in writing to vacation requests of five (5) or more days as soon as possible, but no later than within thirty (30) days of the employee's request. Once approved in writing, vacations shall not be rescinded without the mutual consent of the employee and the appropriate administrator, except in cases of emergency as determined by the appropriate administrator.

Based upon the operational needs of the campus, vacation schedules shall be determined by the appropriate administrator. Vacations shall be scheduled and

taken only as authorized by the appropriate administrator. If a conflict in vacation requests arises, the appropriate administrator shall give consideration to the employee(s) with the most seniority, provided that operational needs are met.

- 14.10 Whenever an employee's accrued vacation amount will exceed or has exceeded the maximum accrual by the end of the calendar year as a result of the denial of one or more requests by the employee to schedule and use vacation in the last quarter of the calendar year, the following procedure shall apply:
- a. The employee shall submit a vacation request for the use of the excess vacation and the appropriate administrator shall respond to the request within ten (10) working days.
 - b. In the event that the request has not been granted within the ten (10) day period, the employee and the appropriate administrator shall attempt to reach mutual agreement on alternative dates on which to use the excess vacation.
 - c. If the employee and the appropriate administrator are unable to reach agreement, the employee may suggest three (3) alternative, non-overlapping periods of vacation time to be completed no later than June 30 of the new calendar year to utilize the excess vacation. The appropriate administrator shall agree to one of the three (3) scheduling options submitted by the employee.
 - d. If the employee fails to submit the three (3) scheduling options for use of the excess vacation, the appropriate administrator will direct the use of vacation on days to be determined by the appropriate administrator.

Lump Sum Payment

- 14.11 Upon separation from service, an employee is entitled to a lump sum payment as of the time of separation for any unused or accumulated vacation. Such sum shall be computed by projecting the accumulated time on a calendar basis so that the lump sum will equal the amount which the employee would have been paid had he/she taken the time off, but not separated from service.

This holiday must be used within one hundred and eighty (180) days after the holiday was observed.

- c. If an employee has been unable to take his/her holiday within one hundred eighty (180) days due to operational need, he/she shall be paid for the holiday.

14.21 An employee shall be permitted to use accrued vacation or his/her Personal Holiday if the President closes the campus and there is an insufficient number of holidays scheduled to be observed during the closure. Employees eligible for CTO may use accrued CTO during periods of campus closure.

14.22 Should an employee not have vacation accrued, sufficient CTO balance or Personal Holiday to cover the scheduled days of closure, he/she shall be provided sufficient work prior to the scheduled closure to prevent any loss of pay or benefits. Such time worked shall be in accordance with Article 19, Overtime.

14.23 Employees, including cruise employees, who are in an academic year appointment are entitled to all days designated in the campus academic calendar as academic holidays, or any other day designated by the Governor for a public fast or holiday. If the timebase is less than full-time, this provision will be applied on a pro rata basis.

- 15.6 An employee shall be responsible for completing and signing the campus absence form and returning the absence form to the appropriate administrator on the date designated by the appropriate administrator.
- 15.7 An employee may be required to provide a physician's statement or other appropriate verification when absent five (5) or more consecutive days due to illness/injury. An employee shall not normally be required to provide such a statement or verification for an absence of five (5) consecutive days or less charged to sick leave.

Catastrophic Leave Donation Program

- 15.8 Any CSU employee who accrues vacation or sick leave credits may voluntarily donate either of those credits to any other CSU employee on the same campus, if the recipient employee has exhausted all accrued leave credits, i.e., sick leave, vacation and CTO, due to a catastrophic illness or injury. Catastrophic illness or injury is an illness or injury that has totally incapacitated the employee from work.

The following provisions shall apply:

- a. An employee, his/her representative or the employee's family member must request the employee's participation and provide appropriate verification of illness or injury as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definition provided above.
- b. An incapacitated employee may elect to defer a request to participate during a period of Industrial Disability Leave eligibility.
- c. Employees may donate a maximum of forty (40) hours leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.
- d. Donated leave credits may be used to supplement each of the following: Industrial Disability Leave, Non-Industrial Disability Leave or Temporary Disability payments from the third party administrator, upon application for the appropriate disability benefit by an eligible employee. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.

- e. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave. The President may approve an additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.
- f. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the disability.
- g. Only vacation and sick leave credits may be donated.
- h. Donated leave credits may not be used to receive service credit following a service or disability retirement.
- i. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.
- j. Catastrophic illness or injury may also include an incapacitated member of the employee's immediate family if this results in the employee being required to take time off for an extended period of time in order to care for the family member and the employee has exhausted both all of his/her accrued vacation credits and all of his/her accrued sick leave credits which may be used for family care in accordance with the appropriate collective bargaining agreement. Only donated vacation credits may be used for such family care catastrophic leave. Immediate family member shall be defined in accordance with the definition contained in the sick leave provisions of the collective bargaining agreement covering the recipient employee.

The granting or denial of such additional use of sick leave in provisions 15.9 (d) and (e) shall be the prerogative of the appropriate administrator and shall not be subject to Article 7, Grievance Procedure, but is subject to the terms of Article 8, Complaint Procedure, of this Agreement.

15.10 The President may direct an employee to take sick leave if he/she determines that the employee has restricted ability to carry out his/her duties due to illness.

15.11 An employee may be required to undergo a medical examination as directed by the President to ascertain the employee's ability to perform his/her required duties. If such an examination is by the physician selected by the employer, the CSU shall bear the costs of such medical examination.

In cases where an employee has a written full medical release without restriction to return to work and the appropriate administrator believes that the employee is unable to perform the duties of the position, the appropriate administrator shall consult with the Human Resources Director. If the employee is unable to be at work while the decision is being reviewed, the employee must be placed on paid administrative leave.

15.12 Under no circumstances may an employee be granted sick leave for days during layoff periods or during a leave of absence without pay. An employee may not be granted sick leave during periods when the campus or department is closed unless the employee was on sick leave prior to the time of the campus or department closure.

The employee may elect to use vacation, personal holiday or CTO to cover the time off.
- 15.18 An hourly employee shall be eligible for time off with pay for jury duty only for those hours he/she was scheduled to work.
- 15.19 An employee who receives initial notification that he/she is subject to jury duty shall notify the appropriate administrator.

- 15.23 Employees serving as court-subpoenaed witnesses or expert witnesses in the interest of the CSU shall seek the payment of witness fees. Whenever possible, employees shall confer with the attorney requesting their appearance to determine whether certified copies of appropriate documents would be suitable and would eliminate the need for a court appearance.
- 15.24 An employee who is absent as a court-subpoenaed witness or expert witness in the interest of the CSU shall be paid the normal salary for the corresponding period of absence. No portion of the employee's salary shall be forfeited as the result of such an appearance; however, all court fees (except personal travel and/or subsistence payments) shall be remitted to the CSU. If an exceptional circumstance occurs whereby the employee does not remit such fees, an amount equal to the fees shall be deducted from the employee's salary. No vacation or compensatory time off (CTO) shall be used in such cases.
- 15.25 An employee who receives court fees in excess of regular earnings may keep the excess and need remit only an amount equal to the compensation paid the employee while on leave. If the employee chooses to retain the entire fee, then the time taken off shall be charged as vacation or CTO, and if no vacation time or CTO is available, the employee shall be docked for the period of absence.

- 15.31 Such supplement shall continue until the employee has exhausted his/her accrued sick leave or until the employee provides to the CSU written notification he/she wishes to discontinue the supplement. Such a notice shall be provided fifteen (15) days prior to the effective date of such a discontinuation.

The President may temporarily effect an in-class progression for the performance of duties at a higher skill level in the same or a different position. Such a temporary assignment or temporary in-class progression may be for up to six (6) months, and shall be consistent with this Article and/or Article 22, Professional Development. In the event of layoff, the number of student assistants' hours and the number of administrators in a department shall not be increased for the purpose of performing bargaining unit work.

Classification Studies

- 17.14 When the CSU determines that a study to develop new classifications or to revise current classifications is necessary, the CSU shall notify the Union. Within thirty (30) days of such notification, the Union may request to meet with the CSU to discuss the classification study. The Parties agree to meet and discuss the classification study within sixty (60) days of the University providing draft classification information to the Union. Such a meeting shall be held at the Office of the Chancellor, unless both parties agree to meet at a campus.

When the CSUEU believes that a study to develop new classifications or to revise current classifications is necessary, the Union may submit a written request and submit data in support of the request to the CSU. The parties agree to meet and discuss CSUEU's classification request within sixty (60) days of receiving the request.

The CSU shall notify the Union of the establishment of any new bargaining unit classification(s). - 18.4 For non-exempt classifications, the full-time workweek is a workweek of forty (40) hours within seven (7) consecutive twenty-four (24) hour days. In accordance with the provisions of Article 19, employees may be required to work overtime hours as directed by the appropriate administrator.
- 18.5 Less than full-time employees shall be assigned hours pro rata and days of work as determined by the President.

Work Schedules – Exempt Employees

- 18.6 Exempt employees are expected to accomplish assigned work without regard for the number of hours worked. If exempt employees need to work extra hours in the business day or week, they do not receive overtime or CTO. When it is necessary for exempt employees to work extended hours, managers may authorize informal adjustments in work hours.
- 18.7 For exempt classifications, there are no fixed, minimum or maximum hours in a workday or workweek.
- 18.8 Exempt employees must be paid for the full week if any work is performed during that week, except under the following circumstances:
- a. Employees are not required to be paid for the entire week if an employee is absent for a full day and the absence is due to illness or injury. In this case, campuses are permitted to dock pay or use a wage replacement benefit such as earned sick leave (in full-day increments), a disability plan, and/or worker's compensation.

18.9 Exempt employees may be assigned to compressed or alternate work schedules.

Work Schedules For Exempt and Non-Exempt Employees

Normal Work Schedule

18.10 A normal work schedule will consist of a five (5) day workweek beginning on Monday and ending on Friday. The workweek shall consist of seven (7) consecutive twenty-four (24) hour periods beginning at 12:01 a.m. on Sunday and ending at 12:00 midnight the following Saturday.

Compressed and Alternate Work Schedules

18.11 An alternate work schedule will consist of a workweek beginning on a day other than Monday and may also constitute a compressed workweek.

18.12 Compressed workweeks are defined as the following schedules:

- 4/10: For those employees assigned a four (4) day workweek, the workday shall normally consist of four (4) consecutive days of ten (10) hours.
- 9/80: For a 9/80 work schedule, a work week shall consist of four (4) consecutive nine (9) hour days during each work week and eight (8) hours on the alternating fifth (5th) consecutive day during a fourteen (14) consecutive day workweek period. For the purposes of administering a 9/80 work schedule, the schedule period shall begin at 12:01 am on Sunday and shall end at 12:00 midnight on the second succeeding Saturday.
- 3/12: For a 3/12 work schedule, a work week shall consist of three (3) twelve (12) hour days during one week of a fourteen (14) day schedule and three (3) twelve (12) hour days and one eight (8) hour day during the remaining week; or three (3) twelve (12) hour days and one (1) four (4) hour day in each seven (7) day period, of the fourteen (14) day

schedule. For the purposes of administering a 3/12 work schedule, the schedule period shall begin at 12:01 a.m. on Sunday and shall end at 12:00 midnight on the second succeeding Saturday.

- 18.13 Bargaining unit employees will be given the opportunity to volunteer to participate in a compressed or alternate work schedule. An employee's request to participate will be subject to the approval of his/her appropriate administrator. The actual days and hours of work will continue to be scheduled by the employee's appropriate administrator. The initial decision to request participation will be voluntary. An employee who participates will be required to remain in the compressed or alternate work schedule until removed from the schedule by his/her appropriate administrator.

An employee may request that he/she withdraw from the compressed or alternate work schedule. Removal from the compressed or alternate work schedule is subject to the approval of the employee's appropriate administrator. The appropriate administrator may request that the employee provide documentation in support of such a request.

Employee Request for Work Schedule Change and/or Flexible Work Hours

- 18.14 An employee(s) may submit a written request to the appropriate administrator for a change in the work hours and/or workdays of his/her work schedule. Such requests shall be submitted twenty-one (21) days prior to the requested effective date of the change. An employee shall not submit more than four (4) such requests per year.
- 18.15 If deemed necessary by the appropriate administrator or the employee, a meeting between the appropriate administrator and the employee shall be held to discuss the work schedule change request.
- 18.16 If a conflict in work schedule change requests arises, the appropriate administrator shall give consideration to the employee(s) with the most seniority provided that operational needs are met.
- 18.17 The appropriate administrator shall respond in writing to the employee regarding approval or denial of such request.

Excess or Deficit Work Hours

- 18.18 The parties acknowledge that, due to the fluctuation in the number of days in a standard state pay period, non-exempt employees who work on alternate work schedules may either have excess or deficit work hours in any given pay period. The campus shall monitor balances on a monthly basis in order to reduce or eliminate deficit balances. All excess/deficit salary accounting issues shall be addressed pursuant to Human Resources Letter HR 2003-28 and its successor letters as appropriate. Per HR 2003-28, in the event that an employee(s) has a deficit balance in December, employees must choose to offset deficit balances by using available leave credits (vacation, compensatory time off (CTO), holiday

credit, and/or personal holiday), being docked for deficits incurred in the current pay period, or establishing an account receivable for prior pay period deficit.

Meal Periods

- 18.19 An employee shall be entitled to a meal period of not less than thirty (30) minutes, and not more than sixty (60) minutes. The time of such meal period shall be scheduled by the appropriate administrator and shall be at or near the middle of the workday.

- 18.21 An employee who is required by an appropriate administrator to remain at his/her workstation for the full shift shall be permitted to take a meal period, not to exceed thirty (30) minutes during work time. The meal period shall be paid and shall count as hours worked. In such case, the appropriate administrator may reduce the scheduled shift by the length of the meal period.

Rest Periods

- 18.22 An employee shall be allowed rest periods each workday of fifteen (15) minutes for each four (4) hours worked. Rest period schedules shall be determined by the appropriate administrator in accordance with the operational needs of the department. Rest periods shall be counted towards hours worked. When an employee is required to perform duties during a scheduled rest period, the appropriate administrator shall endeavor to reschedule the rest period for that workday. Rest period time not taken shall not be cumulative.

Clean-up Time

- 18.23 When deemed necessary by the appropriate administrator, employees shall be permitted by the appropriate administrator immediately prior to the end of their workday a clean-up period of up to ten (10) minutes as appropriate to perform personal washing and changing of clothes. Reasonable worktime shall be provided to an employee for the taking of showers when deemed necessary by the appropriate administrator.
- 18.24 Employees who work in assignments that come into frequent contact with dirt, waste, biowaste, or toxic chemicals shall be granted clean-up time.

Telecommuting

18.25 If a campus determines that telecommuting, as defined in Article 2, is in its best interest, then a written telecommuting policy shall be developed. The provisions of this policy shall include, but not be limited to, the following: eligibility for both position and employee selection, consideration of an employee's years of service on campus, a work place hazards assessment, responsibility for equipment assignment, usage and maintenance, and business related costs.

Telecommuting is only feasible for those job duties that can be performed away from the campus.

Participation in telecommuting is voluntary and at the discretion of the appropriate administrator. Participation shall be based on a written agreement between the employee and appropriate administrator. The written agreement shall contain the work schedule, performance expectations and duration of the assignment.

All telecommuting work schedules require prior management approval. Hours of work shall be consistent with the operational needs of the organization and other Article 18 provisions.

18.26 Upon written request by the CSUEU, the CSU shall meet and confer on issues related to the implementation of Year Round Operations at each campus, as is required by HEERA.

OVERTIME

Overtime Compensation

19.1 Overtime is defined as authorized time worked in excess of forty (40) hours in a seven (7) consecutive twenty-four (24) hour period beginning at 12:01 a.m. on Sunday and ending at 12:00 midnight the following Saturday. For employees assigned to a 9/80 work schedule, overtime is defined as authorized time worked in excess of forty (40) hours in seven (7) consecutive twenty-four (24) hour periods beginning at 12:01 p.m. on Friday and ending at 12:00 p.m. (noon) on the following Friday.

19.2 For the purposes of administering a 3/12 work schedule, overtime shall be defined as time worked in excess of eighty (80) hours within a fourteen (14) day schedule. The schedule period shall begin at 12:01 a.m. on Sunday and shall end at 12:00 midnight on the second succeeding Saturday.

19.3 Overtime shall be compensated in cash or in compensatory time off (CTO) as determined by the President and shall be paid only as provided in Appendix C of this Agreement, consistent with the provisions of the Fair Labor Standards Act (FLSA). The salary stipend (provision 20.42) shall be included in base wages for

determining compensation for overtime earned during the stipend period. Employees eligible to receive overtime shall be compensated at the rate of one and one-half times their hourly straight time rate.

19.4 Overtime shall be authorized and assigned by the appropriate administrator.

19.5 If, as the result of an overtime assignment, a nonexempt employee will not have an eight (8) hour rest period from the end of an overtime assignment until the beginning of the next regularly scheduled work shift, the employee may request to report to work at the completion of the eight (8) hour rest period. Prior to the assignment it shall be arranged between the employee and the appropriate administrator whether the employee may:

- a. Take the time off at the beginning of the next work shift; or
- b. Take the time off at the end of the shift; or
- c. Work the entire shift; or
- d. Change his/her start time for that day until eight (8) hours after the completion of the overtime assignment and then working the number of hours the employee is normally scheduled to work.

If the employee takes the time off at the beginning or end of the shift pursuant to 19.5 (a) or (b) above, the employee has the option of using any accrued leave credits for the hours missed or taking off the hours missed as noncompensable time off the clock and, therefore, reducing the number of hours worked pursuant to provision 19.1.

19.6 Paid holiday, paid sick leave, and paid vacation time shall be counted as time worked for purposes of this Article.

19.7 The only official methods for the computation and accumulation of overtime are those provided in this Article. All hours worked, including overtime, are to be reported monthly on the appropriate payroll forms.

The appropriate administrator shall endeavor to equalize the overtime work among all qualified employees who have expressed interest in overtime work. Advance notice of overtime opportunities shall be provided to all qualified employees whenever possible. An employee shall be required to work overtime if no qualified volunteer is available.

19.8 All employees shall be classified as either exempt or non-exempt for purposes of compliance with the FLSA requirements for payment of overtime or compensatory time off (CTO).

Compensatory Time Off (CTO)

19.9 Requests for scheduling CTO shall be submitted to the appropriate administrator at least seven (7) days in advance. CTO shall be scheduled and taken only as authorized by the appropriate administrator.

- 19.10 When possible, the scheduling of earned CTO shall be by mutual agreement of the employee and the appropriate administrator. Upon reasonable notice to the employee, the appropriate administrator may direct the employee to take earned CTO.
- 19.11 CTO should be taken within the year it is earned whenever possible. If an employee has been unable to take his/her CTO and has a CTO balance in excess of one hundred twenty (120) hours as of December 31, he/she shall be paid in cash for all hours in excess of one hundred twenty (120). Such payment shall be made by February 1 of each year.
- 19.12 Upon request of the employee, the appropriate administrator shall provide an accounting of the employee's CTO balance.
- 19.13 When an employee is separated from service, he/she is entitled to a lump-sum payment for any earned CTO by reason of previous overtime worked.
- 19.14 Overtime eligibility and overtime rates shall be by classification. Such eligibility and overtime rates by classification are listed in Appendix C and incorporated by reference.

Extended Work Hour Meal Allowance

- 19.15 When an employee is required to work more than two (2) hours before or two (2) hours after a regularly scheduled workday, he/she may claim the cost of each meal up to the maximum allowed for lunch in accordance with CSU travel regulations. All claims for extended work hour meal reimbursements must be supported by a voucher. The time taken to consume the meal will not be included in the computation of extended work hours for the purpose of this allowance.

An employee shall not be required to interrupt his/her work to consume his/her extended work hour meal. Extended work hour meals may be taken before, after or during the extended work hour period. This provision shall not apply to employees receiving a per diem rate.

- 19.16 Overtime shall not include time spent in travel to and from the work site except as provided for in Article 22, Professional Development.

Call-Back

- 19.17 Call-back work is work performed at a time outside of and not continuous with an employee's regular work schedule. An employee called back to work shall receive no less than three (3) hours pay at the overtime rate unless such call-back is within three (3) hours of the beginning of the employee's next shift, in which case the employee shall only be paid for the hours remaining before the beginning of the employee's next shift.
- 19.18 An employee may be called back to work at the discretion of the appropriate administrator. The appropriate administrator shall endeavor to assign call-back

work on a volunteer basis. If no volunteers are available, or in an emergency situation, the employee who is called back shall be required to work.

- 19.19 When it is necessary for exempt employees to be called back to work, managers may authorize informal adjustments in their work hours.

On-Call Time

- 19.20 On-call time is time outside of an employee's regular work schedule but during which an employee must be available to report to work if deemed necessary by the appropriate administrator. On-call time is not compensable. If an on-call employee is contacted by an appropriate administrator for the purpose of performing work, then Provisions 19.17 and 19.18 shall apply.

- 19.21 When the CSU determines that an employee shall be placed on call, the employee may use his/her on-call time for his/her own purposes, subject to the employee being reachable by beeper/pager or leaving a telephone number where he/she can be contacted while on call. If contacted by the appropriate administrator, the employee shall report to work within a reasonable period of time.

Pay Plans

- 20.15 Probationary, permanent, and temporary employees with an appointment in 12 month increments shall be eligible to request participation in the 10/12 or 11/12 pay plan. The assignment of an eligible employee into the 10/12 or 11/12 pay plan and the yearly schedule shall be by mutual agreement of the appropriate administrator and the employee. Employees shall have the ability to request participation in the 10/12 or 11/12 pay plan for a period of twelve consecutive (12) months, with a right to return to the 12/12 plan, if specified in that request to participate. Employees can request to renew an appointment to the 10/12 pay plan or 11/12 pay plan on an annual basis. - 20.18 Variations of a normal yearly schedule may be approved by the President, except that a variation of a normal yearly schedule shall not provide for a period of time in non-work status that requires advance payment of salary. Variations may include, but shall not be limited to, a movement from work status to non-work status at times other than the beginning of a pay period or patterns other than the normal yearly schedule, such as "6-1:4-1" or "7-1:3-1." Some variations of a normal yearly schedule may require delayed adjustments in salary payments.

- 20.19 Withdrawal from participation in the 10/12 or 11/12 pay plan and return to a twelve (12) month annual work year may be requested by an employee in accordance with campus procedures. The appropriate administrator may request an employee on the 10/12 or 11/12 pay plan return to a twelve (12) month annual work year. In both instances, the employee and the appropriate administrator shall attempt to reach mutual agreement regarding the request. In the absence of mutual agreement, the President, shall make a final determination as to the approval or denial of such requests. The President may return an employee to a twelve (12) month annual work year. When the employee's request to return to a twelve (12) month annual work year is approved, the employee shall be returned to the twelve (12) month annual work year within three (3) months of the approval. When the University determines the employee should be returned to a twelve (12) month annual work year, the employee shall be provided written notice three (3) months prior to such a return.

- 20.23 Ten (10) or eleven (11) months of service by an employee in the 10/12 or 11/12 pay plan shall constitute one (1) year of service for employment status matters, Merit Salary Increase, and retirement.
- 20.24 Approval or denial by the President of employee requests pursuant to provisions 20.15 and 20.19, shall be based on operational need and shall not be unreasonably denied. This provision shall not be subject to the Grievance Procedure.

Service Salary Increase

- 20.26 A Service Salary Increase (SSI) refers to upward movement within a salary range or sub-range. Such adjustments shall be determined by the CSUEU and CSU during negotiations annually.

For fiscal year 2006/2007 there shall be a one percent (1%) SSI.

For fiscal year 2007/2008 there shall be a one percent (1%) SSI, provided the budgetary conditions in provision 20.5 for fiscal year 2007/2008 are met.

For fiscal year 2008/2009 there shall be a one percent (1%) SSI, provided the budgetary conditions in provision 20.6 for fiscal year 2008/2009 are met.

If the budgetary conditions specified in provision 20.5 and 20.6 for fiscal year 2007/2008 and/or 2008/2009 are not met, the specific increases specified for a GSI, Market Salary Adjustment, and SSI shall not take place and the parties shall reopen bargaining for that fiscal year on Article 20 (Salary), pursuant to Article 28 (Duration & Implementation).

- 20.27 Active and on-leave employees who are at or above the SSI maximum as of July 1, 2006 and who would qualify for an SSI if they were not at or above the SSI maximum, shall receive a one-time bonus. For fiscal year 2006/2007, the bonus shall be in the amount of \$1588, to be paid within ninety (90) days of ratification of this Agreement by both parties. Employees must be active or on leave with pay at the time the payment is generated. If the employee returns to active or on-leave with pay status in a CSUEU-represented classification on the same campus by June 30, 2007, the employee will receive the \$1588 bonus at that time.
- 20.28 No SSIs will be granted above, nor shall the granting of an SSI result in a salary rate above the SSI maximum rates of pay for all bargaining unit salary ranges or sub-ranges on the salary schedule in Appendix E. If an employee receives less than a 1% SSI because the employee reaches the SSI maximum, the employee shall also receive the total bonus provided in provision 20.27 above. Other than employees who receive less than a full 1% SSI, no employee shall receive both a bonus and an SSI increase to base pay.
- 20.29 Upon the determination by the appropriate administrator that an active or an on-leave employee has performed in a satisfactory manner in carrying out the duties of his/her position and is below the SSI maximum of the employee's salary range, the employee shall receive an SSI. Such a determination shall be after consideration of material in the employee's Personnel File.

Eligibility Rules and Service Requirements

- 20.30
- a. For probationary, permanent and temporary employees whose salaries are below the SSI maximum, the initial Anniversary Date shall be established upon hire pursuant to 20.30 (e).
 - b. The Anniversary Date for temporary employees is reset when there is a break in service of ninety (90) days or greater. The Anniversary Dates will be adjusted for non-qualifying pay periods for breaks in service less than ninety (90) days.
 - c. Per Diem employees are not eligible for SSIs.
 - d. For probationary, permanent, and temporary employees, a qualifying month of service is defined as eleven (11) days on pay status in a pay period irrespective of timebase.

- e. A year of qualifying service means twelve (12) pay periods and ten (10) months of qualifying service for a 10/12 employee; ten (10) pay periods and 10 consecutive months of qualifying service for a 10-month employee; twelve (12) pay periods and eleven (11) months of qualifying service for an 11/12 employee, twelve (12) pay periods and twelve (12) consecutive months of qualifying monthly service for a twelve (12) month employee. Qualifying service for an intermittent employee is 1920 hours of paid employment within the preceding three (3) year period.
- f. Anniversary Dates are adjusted for non-qualifying pay periods such as those due to unpaid leaves of absence, including NDI, and, for temporary appointments, periods between appointments when not on the active payroll.
- g. Anniversary dates must be reset when the employee is moved to a higher skill level or classification that resulted in at least a five percent (5%) increase.
- h. For those employees whose salaries will be below the SSI maximum as of July 1, 2006 and who do not have an Anniversary Date, their Anniversary Date shall be established as follows:
 - (1) If the employee had an Anniversary Date from the SSI program ending June 2000 or was given an Anniversary Date when the SSI program was reinstated in 2004 but reached the SSI maximum prior to July 1, 2006, the anniversary Date shall be the month of the most recent anniversary date held at the time the employee reached the SSI maximum or the month of the reclassification or promotion, combined with the current fiscal year, whichever occurred later.
 - (2) If the employee did not have an anniversary date established in 2004 and had no anniversary date when the SSI program ended in June 2000, the month of the Anniversary Date shall be the month of the employee's initial appointment into any CSU classification at the campus combined with the current fiscal year.

20.31 Upon written authorization of the appropriate administrator, an employee who is eligible may receive an SSI effective on the first of the monthly pay period of their initial Anniversary Date and thereafter upon the completion of the required qualifying service after (a) initial appointment, (b) last SSI, or (c) movement between classes or skill levels that resulted in a salary increase of five percent (5%) or more.

20.32 In a fiscal year for which an SSI is specifically negotiated, eligible employees authorized to receive an SSI will receive the negotiated percentage salary increase or an increase up to the SSI maximum of his/her salary range or sub-range, whichever is less, on the date he/she becomes eligible. In no event shall an employee's salary exceed the SSI maximum of his/her salary range or sub-range as the result of an SSI.

20.33 An employee shall receive written notice of the denial of an SSI, including the reason for the denial, prior to the potential effective date of the SSI payment

whenever possible. Failure to provide timely notice shall not require the SSI to be paid.

20.34 Upon request of an employee denied an SSI, a meeting shall be arranged within seven (7) days with an appropriate administrator for the purpose of reviewing such denial. The employee may be represented at this meeting by the CSUEU. At this meeting, the appropriate administrator may establish with the employee conditions upon which the SSI shall be authorized within the year, and the date of review to determine whether such conditions were met.

20.35 The appropriate administrator may at any time reverse the denial of an SSI. Such a reversal may be effective retroactively or effective for a part of the year.

Merit Salary Increase

- 20.36
- a. A Merit Salary Increase (MSI) is movement within a salary range, or one-time bonus per provision 20.36 (e), based upon an overall annual job performance rating of satisfactory, its equivalent, or better. An overall rating is a comprehensive rating based on a review of all performance categories.
 - b. Employees with an overall rating below satisfactory, or its equivalent, or less than twelve (12) months of campus service as of July 1 of the effective year, shall not be eligible. An MSI shall be based upon the most recent fiscal year performance evaluation or the most recent annual performance evaluation in accordance with campus policy.
 - c. Each employee shall receive a performance evaluation in accordance with Article 10, Employee Performance. This procedure does not require campuses to modify existing performance evaluation forms unless existing forms do not have an overall rating. In such cases an overall rating must be determined and added or attached to the performance evaluation form. Existing annual performance evaluations and overall ratings contained in the official personnel file shall remain unchanged except with the addition of an overall rating where none exists. No employee's overall performance rating shall be changed after it has been presented to the employee for signature.
 - d. An employee whose performance has been rated overall as satisfactory, or its equivalent, shall receive an increase to the base salary, and/or a one-time bonus per provision 20.36(e). An employee whose performance has been rated overall as above satisfactory shall receive an increase in excess of the amount of the increase awarded to satisfactory performance. The amount of increase and/or bonus shall be determined by the President, the President's designee or other appropriate administrator. All CSUEU-represented employees rated at the same level of overall performance on the same campus shall receive the same amount of increase, rounded to the nearest whole dollar. This increase shall be an increase to the employee's base salary, except for those employees at the top of the salary range as described in provision 20.36(e). In no event shall an MSI increase cause an employee's salary rate to exceed the maximum of the range.

- e. In cases where a bargaining unit employee has reached the top of the classification salary range or sub-range in the salary schedule in Appendix E, the amount of increase for an MSI shall be only in the form of a lump sum bonus based on the annual gross earnings and shall not be an increase to the base salary.
- f. During the fiscal year, the total amount of the total settlement cost funds assigned to the MSI program shall be as described in provision 20.37.
- g. Funds shall be proportionally allocated to individual campuses based upon the salary base of CSUEU represented employees on each campus. MSI total settlement cost funds may be augmented with campus funds. The effective date for an MSI shall be July 1 of the fiscal year. To be eligible, an employee must be on the payroll as of July 1 of the fiscal year and actively employed at the time the awards are distributed. An MSI provided with campus funds may be effective at any time.
- h. Funds allocated to the MSI program on a campus shall be distributed on a pro-rata basis, by CSUEU bargaining unit, so that each unit receives the same pool of funds when measured by a percentage of salary increase.
- i. The decision of the President, the President's designee, or other appropriate administrator as to who is to receive an MSI and the amount for each performance rating level of the MSI shall not be subject to Article 7, Grievance Procedure. Performance evaluations shall not be subject to Article 7, Grievance Procedure, unless the grievant alleges the procedures in the provisions of Article 10 or this Section have been violated, misinterpreted, or misapplied.

20.37 For fiscal years 2006-07, 2007-08, and 2008-09 the amount of funds dedicated to the MSI program pursuant to provision 20.36 above shall be zero percent (0%). If the total amount of funds dedicated to this program in each fiscal year is not allocated or encumbered for MSI recipients by February 1, the Union may request by the following March 15 to meet with CSU to negotiate regarding the unallocated or unencumbered funds, and CSU shall agree to such a request.

Bonus Plans

20.38 A bonus is a lump sum payment that is not a permanent increase to the base salary of the individual and may be granted at the discretion of the President. A bonus may be awarded at any time and may be used for a variety of salary adjustments including, but not limited to the following:

- a. Performance recognition of a bargaining unit employee shall be in the form of a bonus, in the case of bargaining unit members who have reached the top of his/her classification salary range or sub-range in the salary schedule in Appendix E. These bonuses shall be from campus funds. Prior to issuing any bonus awards under this section, the performance criteria must be written and made known to employees prior to the performance period.

- b. A recruitment bonus may be offered to a candidate as an inducement to commit to employment with the CSU. If the candidate does not complete the probationary period, the bonus must be returned to the CSU.
- c. A retention bonus may be awarded to an employee for staying with the CSU and who is in a position in a classification that is critical to the ongoing operations of the CSU, or is in short supply in the labor market, and/or is a difficult to recruit for classification. The requirements for the retention bonus must be in writing. The minimum time period that an employee must commit to stay with the CSU in order to receive a retention bonus is twelve (12) months.
- d. A critical skills bonus may be awarded to an employee who possesses and uses skills that are necessary and critical to the ongoing operations of the CSU. The employee must be actively using the skills in order to receive the bonus.
- e. An individual or group performance bonus may be awarded for exceptional performance. Prior to issuing an award under this provision, the performance criteria must be written and made known to employees prior to the performance period.
- f. The decision of the President, made in accordance with this provision, regarding the award of a bonus shall be final and shall not be subject to Article 7, Grievance Procedure.
- g. The bonuses in sub-provisions (a) through (e) shall be campus funded.

20.39 For non-exempt employees, all bonus awards must be based on a percentage of the annual gross salary.

In-Range Progression

- 20.40
- a. An increase within a salary range for a single classification or within a sub-range of a classification with skill levels is referred to as an In-Range Progression. When the President, the President's designee, or appropriate administrator determines that an in-range progression should occur, the salary shall increase by at least three percent (3.0%).
 - b. An in-range progression may be granted for reasons that include:
 - Assigned application of enhanced skill(s);
 - Retention;
 - Equity;
 - Performance;
 - Recognition of new lead work or new project coordination functions given to an employee on an on-going basis by an appropriate administrator where the classification standard/series do not specifically list lead work as a typical duty or responsibility; and,
 - Other salary related criteria.

A request for an in-range progression review may be submitted by the employee or manager. Employee initiated in-range progression requests shall be submitted to the appropriate administrator before being forwarded to Human Resources. An employee shall not submit a request for an in-range progression prior to twelve (12) months following receipt of a response to any prior in-range progression requests. If an administrator has not forwarded the request to Human Resources within thirty (30) days, the employee can file the request directly with Human Resources.

In-range progression review of employee requests shall be completed within ninety (90) days after the request is received in Human Resources.

- c. Each campus shall develop guidelines and procedures for an in-range progression. The decision of the President, made in accordance with this provision, regarding the award of an in-range progression shall be final and shall not be subject to either Article 7, Grievance Procedure or Article 8, Complaint Procedure.

Funds for in-range progression may come from campus funds, and/or total settlement costs resulting from bargaining between the parties on salary matters.

Salaries for Classifications with Skill Levels and Sub-ranges

- 20.41 The following provisions shall apply to employees appointed or assigned to classifications with skill levels and sub-ranges:
- a. Within each salary range for such a classification, sub-ranges with specified minimum and maximum rates are defined for each skill level.
 - b. Employees shall be appointed or assigned by the President to a salary within a sub-range for the applicable skill level within the classification based on the requirements of the position and an assessment of the employee's qualifications and skills by the President. This provision shall not be subject to the grievance procedure.

Salary Stipends

- 20.42 An employee shall receive a monthly salary stipend when assigned by an appropriate administrator to temporary project coordination or lead work functions. These supplemental work assignments are to be made in writing and must have a specific beginning and ending date.
- 20.43 At the decision of the Campus President or designee, an employee may receive a monthly stipend when (1) assigned, for a limited period of time, additional work or special projects over and above their regularly assigned duties or (2) required to maintain contact with their campus outside of their normal working hours on a regular basis. Remote contact shall include telephone, pager, cell phone, wireless data access device, remote monitoring of any hardware or software device, and/or electronic mail notification regarding the status of a campus system.

- 20.44 The following provisions shall apply to the awarding of a stipend under provision 20.42 and 20.43, above:

 - b. The stipend shall be between three percent (3%) and ten percent (10%) of the base monthly salary rate to be paid on a monthly basis.
 - c. The decision of the appropriate administrator, made in accordance with this article regarding the supplemental assignment specified in provisions 20.42 and 20.43 above shall be final and shall not be subject to Article 7, Grievance Procedure.

Red Circle Rates

- 20.45 A red circle rate is a salary rate above the maximum of the salary range for a class or sub-range for a skill level which may be granted by the President when an employee moves to a class or skill level with a lower salary range.
- 20.46 An employee whose class is abolished and who moves to a class or skill level with a lower salary range as a result of implementation of a new classification shall be granted a red circle rate.
- 20.47 If a red circle rate is granted, the employee shall retain the salary currently being paid (or a lesser salary rate up to twenty-five percent (25%) above the maximum salary rate of the lower class or skill level) and shall remain at that salary rate until the maximum salary rate of the lower class or skill level equals or exceeds the red circle salary rate or until the authorized time period for maintaining the red circle salary rate expires, whichever occurs first.
- 20.48 During the period of time an employee's salary remains above the maximum salary rate for the class, the employee shall not receive further salary increases, including, Market Salary Adjustments, Merit Salary Increases or General Salary Increases, except in cases of promotion while on a red circle rate.
- 20.49 Red circle rates shall not exceed twenty-five percent (25%) above the maximum of the salary range of the class or skill level to which the employee is moving. An employee may retain a red circle rate for up to five (5) years.
- 20.50 Red circle rates shall not be authorized for an employee when:
- a. an employee, for personal convenience, requests voluntary demotion;
 - b. an employee is demoted for cause other than for medical reasons.
- 20.51 An employee who was compensated at a salary rate above the maximum prior to a permanent separation will not be entitled to a red circle rate upon his/her return to work. Also, the authorization for a red circle rate shall be canceled if the

employee refuses two (2) bona fide offers of appointment to a position at the campus in a class or skill level in the same occupational group, at the same time base and at a salary level equivalent to the original class or skill level from which the employee was moved.

Emergency Pay

20.52 When the President has declared a state of emergency at a campus, in exchange for the performance of emergency work by bargaining unit employees outside of their normal assignment, and at a time when those employees would, subject to the approval of the University, otherwise have been able to use administrative leave, the following emergency pay will be provided.

Non-exempt personnel required to return to or remain at work shall receive emergency pay of an additional one-half (½) hour for each hour worked up to forty (40) hours per week. Hours worked in addition to forty (40) hours per week shall be paid at time and one-half (the inclusion of the phrase "an additional" is for the purpose of clarification only).

An exempt employee who is required to work on a day or days declared as a state of emergency at a campus, who would otherwise have been able to use administrative leave, shall receive informal time off as agreed upon by the employee and the appropriate administrator.

Underpayment of Wages

20.53 In the event an employee believes that he/she has been underpaid, the employee shall notify his/her appropriate administrator, in writing, as soon as possible after the underpayment occurs. The memorandum should contain the following information, if known: the affected payroll period, the amount of the underpayment and the reason for the underpayment. The appropriate administrator shall review the facts and provide a written recommendation along with the affected employee's memorandum to the payroll supervisor within ten (10) work days of receipt of the written request. If the appropriate administrator and the payroll supervisor agree that an underpayment has occurred, they shall immediately notify the affected employee and issue a check for the full amount of the underpayment as soon as practicable, but no later than thirty (30) days after the employee submitted the memorandum to the immediate supervisor. The Environmental Health and Safety Officer shall respond to the employee as soon as possible.
- 23.9 There shall be a campus-wide health and safety committee on each campus. One campus employee from each of the bargaining units shall be designated by CSUEU to represent the safety interests of employees in these bargaining units. The names of these individuals shall be provided in writing to the President. Such representation shall be by membership on the existing campus-wide safety committee. Such a representative may submit agenda items related to health and safety. Topics may include, but shall not be limited to, the use of video display terminals (VDTs), ergonomics and other appropriate safety matters. This provision shall not preclude other bargaining unit employees from serving on the campus-wide safety committee when appointed by means other than those provided in this provision.
- 23.10 There shall be a campus Plant Operations Safety Committee which shall meet at regularly scheduled times during normal business hours. A reasonable number of employee representatives appointed by the Union shall serve as committee members. Committee members may place items related to health and safety on the agenda for such committee meetings. Recommendations and suggestions regarding safety as submitted in accordance with Provision 23.6 are appropriate as an agenda item for such committee meetings.
- 23.11 When available, upon the Union's written request, the Employer shall furnish campus disaster plans and the Material Safety Data Sheets on hazardous substances used by unit employees. Where available, other similar information,

such as an Injury and Illness Prevention Program, shall be provided to the Union or an employee, upon written request and within the requirements of the law.

- 23.12 New employees shall be provided safety training within sixty (60) days of employment. As deemed necessary by the President and/or required by Cal-OSHA regulations or final determinations, the CSU shall provide safety training and instruction to minimize illness or injury to employees.

ARTICLE 24

LAYOFF

Determination

- 24.1 On a campus when the CSU determines that a layoff is necessary because of a lack of work or lack of funds, the following procedures shall apply.

Union Notice

- 24.2 When the CSU determines that there is a need for implementation of any procedures outlined in this Article, the CSU agrees to immediately notify the Union. The Union may submit a written request to the Office of the Chancellor to meet and confer with the Union on the bargaining unit impact.

Order of Layoff

- 24.3 Layoff shall be within classifications determined by the President. For classifications with skill levels, layoff shall be within skill level determined by the President. Twelve (12) month, 11/12 month, 10/12 month and academic year positions with the same class title shall, for the purposes of layoff, be considered a single classification. The order of layoff shall be:
- a. first, temporary and probationary employees; and
 - b. last, permanent employees.

Temporary and probationary employees in a classification shall be separated or laid off before permanent employees in the same classification. Non-reappointment of a temporary employee does not constitute a layoff. For classifications with skill levels, temporary and probationary employees shall be separated or laid off before permanent employees in the same skill level.

Temporary and Probationary Employees

- 24.4 The President shall establish the order of layoff for temporary and probationary employees in a classification or in a skill level within a classification by considering only merit and competency in relation to program need.

Permanent Employees

- 24.5 The President shall establish the order of layoff for permanent employees in a classification in reverse order of seniority. For employees in classifications with skill levels, the President shall establish the order of layoff for permanent employees in a skill level in reverse order of seniority.
- 24.6 An employee who possesses documentable specialized skills that are needed for the program, not possessed by other employees in classification(s), or skill levels within classifications, undergoing layoff, may be excluded by the President from the layoff list.

Computation of Seniority Points for Permanent Employees

- 24.7 All seniority points calculated for and earned by permanent employees prior to June 30, 1983, shall remain unchanged. Such seniority points shall serve as the base to which additional seniority points, computed for and earned pursuant to the terms of this Agreement, shall be added. Seniority points for each campus shall be calculated by the campus and provided to the Union by the Office of the Chancellor two (2) times per year upon written request by the Union and when the CSU determines that a layoff is necessary.
- 24.8 Full-time permanent employees shall earn one (1) seniority point of service credit in a given class, or skill level within a class, for each qualifying month of employment. Part-time employees holding permanent status shall earn seniority points proportional to the timebase served.
- 24.9 For the purpose of computing permanent employee seniority credit, length of service includes continuous time served as a temporary, probationary or permanent employee and is counted from the date of appointment to the current class held, or current skill level held within the classification, consistent with Provision 24.10 below, plus any service in all classes or skill levels of equal or higher rank on the campus, including time spent in non-CSUEU classifications, which has not been interrupted by a permanent separation.
- 24.10 Seniority credit is counted from the first calendar month of appointment to the current classification, or skill level within a classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.12), if the appointment or return date is on or before the fifteenth (15th) calendar day of that month. Seniority credit is counted from the second calendar month of appointment to the current classification or skill level within a classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.12), if the appointment or return date in the first calendar month is after the fifteenth (15th) calendar day in that month.
- 24.11 Seniority credit upon separation from a classification, or from a skill level within a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.12), shall terminate effective the end of the calendar month preceding the date of separation

or leave if the date of separation is on or before the fifteenth (15th) calendar day of the month of separation. Seniority credit upon separation from a classification, or from a skill level within a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.12), shall extend until the end of the calendar month of separation or leave if the date of separation is after the fifteenth (15th) calendar day of the month of separation.

- 24.12 All time spent in family care, military, disability, loan of an employee to another governmental agency or leave with pay status shall count toward the accumulation of seniority points. All other time spent in leave without pay status, as well as periods of suspension without pay, shall not count toward the accumulation of seniority points, however, such time shall not constitute a break in continuous service.
- 24.13 For all permanent ten (10) month employees, one (1) point shall be credited for each month of the ten (10) months of employment. Those full-time, permanent employees participating in the 10/12, 11/12 or academic pay plan shall receive one (1) point of credited service for each of the twelve (12) months.
- 24.14 In no case shall a permanent employee earn more than twelve (12) seniority points per year.
- 24.15 In the event a class is abolished or the use of the class restricted and a new class established in its place, all time served in the prior comparable class shall be counted as service in the new class.
- 24.16 The term "class of equal rank" as used in this Article shall mean a class, or skill level within a class, which has a maximum salary of not more than one-half (1/2) step or approximately two and one-half percent (2 1/2%) above or below the maximum salary of the employee's current class, or skill level within a class.
- 24.17 The term "class of higher rank" as used in this Article shall mean a class, or skill level within a class, which has a maximum salary of more than one-half (1/2) step or approximately two and one-half percent (2 1/2%) above the maximum salary of the employee's current class, or skill level within a class.

Tie-Breaking in the Order of Layoff

- 24.18 A tie exists when two (2) or more permanent employees in a classification, or skill level within a classification, undergoing layoff have the same number of seniority points.
- 24.19 The President shall break ties in establishing the layoff order of permanent employees by considering only the following factors:
- a. specialized skills and competencies of the employee; and
 - b. documented meritorious service by the employee.

Employee Notice of Layoff

- 24.20 A temporary or probationary employee who is to be laid off shall receive notice of such layoff from the President no later than forty-five (45) days before the effective date of layoff.
- 24.21 A permanent employee who is to be laid off shall receive notice of such layoff from the President no later than sixty (60) days prior to the effective date of layoff. A permanent employee who is to be laid off due to lack of work shall receive notice of such layoff from the President no later than ninety (90) days prior to the effective date of layoff. Such notice shall be in writing and mailed by certified mail, return receipt requested, to the employee's last known address.

Employee Options in Lieu of Layoff

- 24.22 A permanent employee who has received a notice of layoff may exercise his/her right to elect transfer to any vacancy for which he/she is currently qualified. Such qualification shall be determined in the normal manner. When two (2) or more such permanent employees elect transfer to the same vacancy in accordance with this provision, the President may select the employee to be transferred on the basis of merit.
- 24.23 A permanent or probationary employee who has received a notice of layoff may elect to be transferred or demoted to any classification, or skill level within a classification, in which he/she has served as a permanent employee during the period preceding the layoff, provided there has been no break in service.
- 24.24 A permanent employee at the Chancellor's Office who has received a layoff notice shall have retreat rights to his/her former campus if he/she had gained permanency at that campus. Such retreat rights exist only if the employee's appointment at the Chancellor's Office was immediately after separation from the campus.
- 24.25 If an employee elects a demotion in lieu of layoff, his/her salary shall be red circled in accordance with the red circle rate provisions in Article 20, Salary.
- 24.26 In order to elect the options in Provisions 24.22 - 24.25 above, an employee must notify the campus Human Resources Office in writing of his/her election not later than thirty (30) days after receiving the notice of layoff.
- 24.27 An employee replaced by the demotion or transfer of an employee who has received a notice of layoff shall have the same rights as outlined in Provisions 24.22- 24.25 above of this Article.

Reemployment Rights/Opportunities

- 24.28 The President shall enter the names of laid-off permanent employees on a reemployment list by class, or by skill level within a classification, in order of seniority. An employee's name shall remain on the reemployment list until he/she returns to a position in the same class, or skill level within a classification, held at

the time of layoff and at the same timebase as previously held. In no case shall a name remain on the reemployment list for more than five (5) years.

- 24.29 Position vacancies in a class, or skill level within a classification, for which there are names of qualified individuals on the reemployment list shall not be filled without first making an offer of reemployment to those on this list. If an individual on the reemployment list declines two (2) such offers, he/she waives his/her reemployment rights. An individual on a reemployment list may request inactive status for up to one (1) year.
- 24.30 An employee reemployed under the conditions of this Article shall retain permanent status rights, service credit (subject to Public Employees' Retirement System (PERS) regulations), salary steps, sick leave, and seniority credits he/she held at the date of layoff.
- 24.31 The CSU shall provide a job clearinghouse to advise and inform employees in classifications, or skill levels within classifications, undergoing layoff of employment opportunities at other campuses. The services of the clearinghouse shall be available upon request to permanent employees in receipt of notice of layoff or former permanent employees on a reemployment list. A campus may not fill a vacancy without ascertaining whether such an employee or former employee has applied. If such an employee has applied for a vacancy, his/her application shall be considered.

Voluntary Programs to Avoid Layoff

- 24.32 At least sixty (60) days prior to the effective date of a layoff due to a lack of funds, the President shall make available voluntary programs to avoid layoff. At least ninety (90) days prior to the effective date of a layoff due to a lack of work, the President shall make available voluntary programs to avoid layoff. When the layoff is due to a lack of work, voluntary programs will only be made available to employees in the classifications affected by the layoff. If there are no employees in the affected classifications other than those notified of the possible layoff, voluntary programs will not be offered.
- 24.33 Such programs shall include, but shall not be limited to:
- a. a voluntary reduced worktime program;

A voluntary reduced worktime program may reduce the time worked by an employee within the workweek or within the work year. The 10/12 or 11/12 pay plan as provided for in this Agreement shall be considered a voluntary reduced worktime program. Prior to a layoff, the President shall extend the provisions of the 10/12 or 11/12 pay plan (Article 20, Salary, Provisions 20.15 through 20.25) to employees in classifications undergoing layoff and may extend the provisions of the 10/12 or 11/12 pay plan to employees in classifications not otherwise eligible.
 - b. leaves of absence without pay in accordance with Article 16, Leaves of Absence Without Pay, of this Agreement.

24.34 An employee who has been laid off and placed on the re-employment list may be eligible to participate in the fee waiver program as described in Provisions 22.34 through 22.44 of Article 22 for the duration of the time that the employee is on the re-employment list. In order to participate in the program, the employee shall have or shall initiate a career development/job related plan through the Human Resources Office and shall meet all applicable fee waiver requirements. This benefit is for the use of the laid off employee only and is not transferable. A benefit already transferred remains transferred until the end of the academic term.

ARTICLE 25

Non-Discrimination

- 25.1 The CSU prohibits discrimination on the basis of race, religion, ancestry, color, sex, sexual orientation, gender identity, age, physical disability, mental disability, veteran status, marital status, pregnancy, medical condition and/or national origin. "Veteran status," as used herein, refers to the categories protected under the Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA), which currently includes Vietnam-era veterans, qualified special disabled veterans, and veterans who served on active duty during a war or in a campaign or expedition for which a campaign badge was authorized. It is recognized these categories of protected veterans may expand or contract in the future consistent with changes in the VEVRAA. "Disability" and "medical condition," as used herein, are consistent with the definitions provided in the Americans with Disabilities Act and the Fair Employment and Housing Act.
- 25.2 An employee, who alleges discrimination in violation of a CSU systemwide non-discrimination or anti-harassment policy, shall file his/her complaint under the procedure described in Executive Order 928, or in any superseding executive order, if applicable. - 25.4 An employee, who alleges that he/she suffered retaliation for making a protected disclosure of an improper governmental activity and/or a significant health or safety threat, shall file his/her complaint under the procedure described in Executive Order 822, or in any superseding executive order, if applicable.

ARTICLE 26

CRUISE EMPLOYEES

- 26.1 This article applies only to employees filling positions designated as “cruise.”
- 26.2 This article supersedes all existing side letters of agreement between the parties pertaining to cruise employees.
- 26.3 For cruise employees at the California Maritime Academy, one year of service is equivalent to an academic year plus one cruise.
- 26.4 Employees serving in a cruise year appointment do not accrue vacation credits and are not eligible for paid vacation.
- 26.5 Employees who are in a cruise year appointment are entitled to all days designated in the campus academic calendar as academic holidays, or any other day designated by the Governor for a public fast or holiday. If the time base is less than full-time, this provision will be applied on a pro rata basis.
- 26.6 At the completion of a worked cruise, cruise employees earn forty (40) hours of CTO to be used during the following calendar year terms.
- 26.7 Any current employee with vacation and/or personal leave credits remaining from January 1993 may continue to schedule such leaves in accordance with Article 14. At the discretion of the appropriate administrator, all or a portion of unused personal leave credits may be cashed out at the employee’s salary rate at the time the personal leave payment is made. Upon termination from employment, the employee shall be paid for unused personal leave credits in the same manner as vacation. Cash out of lump sum payments for personal leave credit shall not be considered as compensation for purposes of retirement.

If an LMC is established, it shall be composed of up to four (4) representatives (one from each bargaining unit) each from labor and management employed at the campus. Both sides shall be equally represented and appointed by their respective parties.
- 27.2 If formed, this committee shall meet on an ad hoc basis, at times and dates mutually agreeable to the parties and surrounding a campus specific issue. The parties shall notify each other of the issues that they desire to discuss at least fifteen (15) days prior to a scheduled meeting date. LMCs shall issue a report within ninety (90) days of its last meeting.

ARTICLE 28

**FAMILY AND MEDICAL LEAVE AND
PREGNANCY DISABILITY LEAVE**

- 28.1 The family and medical leave provisions in this Article incorporate both the federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) and will be denoted by FML.

Eligibility

- 28.2 An employee who has at least twelve (12) months of service is entitled to a family and medical leave without pay.

FML Entitlement

- 28.3 Eligible employees shall be granted up to a total twelve (12) weeks of family and medical leave (FML) in a 12-month period for the birth of a child of the employee; the placement of a child with an employee in connection with the adoption or foster care of the child by the employee; to care for a child, parent, spouse or domestic partner of the employee who has a serious health condition; or for the employee's own serious health condition. FML is unpaid leave; however, employees shall utilize appropriate leave credits prior to being placed on any unpaid portion of FML.
- 28.4 When FML is granted for an employee's own serious health condition, an employee shall use sick leave, vacation, compensating time off (CTO) and Personal Holiday before going on any unpaid portion of FML. However, if the leave is due to the employee's own serious health condition and also qualifies as an Industrial Disability Leave (IDL), Temporary Disability, or Non-Industrial Disability Leave (NDI), the appropriate guidelines shall apply.
- 28.5 FML taken by an employee to care for an eligible family member shall be leave without pay except that an employee must utilize all accrued vacation, personal holiday, compensating time off (CTO) that he/she is eligible to take prior to any unpaid period of FML.
- 28.6 An employee may use accrued sick leave during the period of FML to care for an eligible family member upon mutual agreement between the employee and the appropriate administrator. Such requests for sick leave shall be made in accordance with Article 15 of this Agreement.

28.7 For FML taken for reason of the birth of a child or adoption/foster care of a child by an employee, shall be initiated within one (1) year of the birth of a child or placement of a child with the employee in the case of adoption/foster care.

The period of FML granted to an employee for the birth of a child shall run concurrently with the period of leave available to an employee under Education Code 89519.

28.8 FML is separate and distinct from the right of a female employee to take a pregnancy disability leave under Government Code Section 12945, subdivision (b)(2). If a female employee takes part or all of the maximum four (4) months of pregnancy disability leave, she may also request up to twelve (12) weeks of FML for reason of the birth of the child, or to care for the new child, or due to her own or child's serious medical condition. FML and pregnancy disability leave shall run concurrently with the period of leave available under the provisions of Education Code Section 89519. FML shall not run concurrently with pregnancy disability leave under Government Code Section 12945.

28.9 The amount of family care and medical leave that may otherwise be granted under Article 16 may be reduced by the amount of FML granted to an employee for reasons set forth in this Article.

Request and Approval

28.10 When the appropriate administrator becomes aware that an employee has taken or intends to take time off for an FML qualifying reason pursuant to provision 28.3, the employee may be asked to provide documentation from a medical professional asserting that there is an FML qualifying reason. FML qualifying leaves may be designated as FML.

28.11 An employee shall provide the President with written notice of the need for FML as soon as the event necessitating the leave becomes known to the employee. In general, as much advance notice as is reasonably possible shall be provided and normally shall not be less than five (5) working days of the event giving rise to the need for leave.

28.12 If the employee's need for family and medical leave is foreseeable due to the employee's planned medical treatment or planned supervision of a child, parent, spouse, or domestic partner with a serious health condition, the employee shall provide the President with not less than fourteen (14) days notice of the need for the leave. The employee shall consult with the appropriate administrator regarding the scheduling of the treatment or supervision so as to minimize disruption of the operations of the campus.

28.13 Before granting FML for the serious health condition of a child, parent, spouse, or domestic partner, the President may require certification of the serious health condition from the health care provider.

28.14 Upon expiration of the period which the health care provider originally estimated that the employee needed to care for the child, parent, spouse, or domestic

partner, the President may require the employee to obtain recertification if additional leave is requested.

Return to Work

- 28.15 Approved FML assures the employee a right to return to his/her former position or an equivalent position upon expiration of the family and medical leave. If the former position and any equivalent position has ceased to exist due to legitimate business reasons unrelated to the leave, the campus shall make reasonable accommodation by alternative means that will not cause undue hardship to the campus. Such alternative means shall include, but not be limited to, offering the employee any other position which is available and for which the employee is qualified. FML shall not constitute a break in service for the purposes of length of service and/or seniority under this Agreement.
- 28.16 An employee on FML shall retain employee status and shall continue to accrue seniority points pursuant to Article 24 of this Agreement during the period of the FML. During FML, an employee may continue to participate in benefits to the same extent and under the same conditions as would apply to any other personal leave of absence without pay pursuant to this Agreement, except that if any paid portion of the FML is less than twelve (12) weeks, unless canceled by the employee, the CSU shall continue to make employer contributions toward health, dental and vision coverage for the unpaid remainder of the twelve (12) week period. If an employee fails to return at the end of FML, the CSU may require repayment of insurance premiums paid during the unpaid portion of the leave. The CSU shall not require repayment of premiums if the employee's failure to return is due to his/her serious health condition or due to circumstances beyond the employee's control.
- 28.17 The granting or denial of FML provided in this Article shall be subject to Article 8, Complaint Procedure.

ARTICLE 29

DURATION AND IMPLEMENTATION

- 29.1 This Agreement shall become effective upon ratification by both parties and shall remain in full force and effect up to and including June 30, 2009.
- 29.2 The provisions of Article 20, Salary, and Article 21, Benefits, shall be implemented as indicated in those articles.
- 29.3 Negotiations for a successor agreement shall commence when one of the parties delivers to the other its proposals in writing no earlier than January 1 and no later than February 1 immediately preceding the expiration of this Agreement. However, negotiations on economic issues in preparation for the budget request for the 2009/10 fiscal year, as provided in Section 3572 of the Higher Education Employer-Employee Relations Act, may commence after July 1, 2008, when one of the parties delivers to the other its proposals in writing.

- 29.4 Subject to the provisions of HEERA Section 3572 (a), the Union may reopen, for the purpose of negotiations, Article 20, Salary in fiscal year 2007/2008 and/or 2008/2009, consistent with the provisions of Article 20. For fiscal years 2007/2008 and 2008/2009, the Union must deliver to the other party its proposals in writing no later than thirty (30) days after the final budget for CSU has been signed by the governor if that budget does not meet the requirements of provision 20.5 or 20.6.
- 29.5 Any term of this Agreement which is deemed by the Employer to carry an economic cost shall not be implemented until the Employer determines that the amount required therefore has been appropriated and makes such amount available for expenditure for such purpose. If the Employer determines that less than the amount needed to implement this Agreement, or any provision herein, has been appropriated to implement this Agreement or any provision herein, the term(s) of this Agreement deemed by the CSU to carry economic cost shall automatically be subject to the meet and confer process.

Re: Implementation of Grievance Procedure Contract Changes

Dear Laxer:

This is to document our discussion regarding implementation of the negotiated changes to the Grievance Procedure in Article 7 and the Complaint Procedure in Article 8 of the 2007-2009 Agreement. We are in agreement that all grievances and complaints after January 16, 2007 will be using the new steps of the grievance procedure or, in the case of complaints, the complaint procedure. Grievances filed January 16, 2007 or earlier will be processed under the terms of the 2002-2006 contract.

We are in agreement, though, that any grievance not yet scheduled for arbitration, whether filed under the old or new contract may, if both parties agree, be scheduled under the Med-Arb Procedure (Sections 7.32 through 7.34). And, any complaint not yet heard at Level III may, if both parties agree, be scheduled under the Mediation Procedure (Section 8.21).

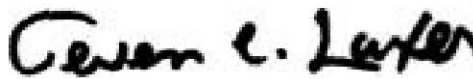

If you are in agreement, please sign below. Thank you for your assistance and cooperation in resolving this question.

Sincerely,

Sharyn Abernatha

Re: Article 9, Probation, Part-Time Employees

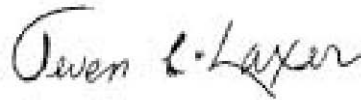

Dear Mr. Laxer:

This is to document our discussion regarding the status of part-time employees in units 2, 5, 7 and 9. We are in agreement that, as referenced in provisions 9.14, 9.52 and 9.54, part-time employees must have a time base of at least 50% in order to be considered probationary employees and qualify for permanent status. Ms. Jackie McClain
Vice Chancellor, Human Resources
Office of the Chancellor
California State University

Long Beach, CA 90802

Dear Ms. McClain:

This is to confirm our discussion during contract negotiations regarding CSUEU's position on market salary increases. Based upon input from our members that their collective wages have fallen far behind the cost-of-living due to low or no general salary increases for many years, CSUEU requested that more monies be directed to General Salary Increases than to Market Salary Increases over the life of the 2006/09 contract.

Although the Union is concerned about the number of classifications where the salaries are less than that paid to comparable classifications in other institutions, CSUEU did not accept CSU's proposal which would have directed more available money to Market Salary increases than to general salary increases.

We understand that-the impact of this decision will be that at the end of this 2006-2009 contract, we will not have substantially reduced existing market lags. In future years, we can address market lags.

Sincerely yours,

Dear Ms. Abematha:

Pursuant to our telephone conversation of January 7, 2007, this is to reiterate in writing what the CSUEU bargaining team stated on numerous accessions at the bargaining table during 2006 negotiations between CSUEU and CSU.

For fiscal year 2006/07, pursuant to Article 20, Section 20.5, of the Tentative Agreement between CSUEU and CSU, CSUEU has determined that the 0.324% market salary adjustment shall be distributed to all classifications represented by CSUEU, effective with the August 2006 pay period.

Sincerely yours,

PARKING FEES

If, at the expiration of the 2006-2009 collective bargaining agreement (June 30, 2009), the parties agree to extend the contract through June 2010, or any portion thereof, or if the parties are unable to reach agreement on a successor contract by September 1, 2009, the parties agree to negotiate in good faith a side letter of agreement so that on campuses where students are paying higher parking fees than CSUEU-represented employees, those employees will pay the same fee either:

(a) Effective September 2009, or

(b) By prorating the increase beginning September 2009 to reach the same amount as paid by the students by June 2010.

Re: Implementation of Fee Waiver Contract Changes

Dear Mr. Laxer:

This is to document our discussion regarding implementation of the negotiated changes to the fee waiver program in Article 22 (provisions 22.25 through 22.z3) of the Tentative Agreement. We are in agreement that all the Fee Waiver changes will be implemented at each campus for the next quarter or semester after January 16, 2007. Each campus will determine, based on factors such as, but not limited to, the start date of the semester or quarter and fee waiver processing dates, the implementation date of the negotiated changes.

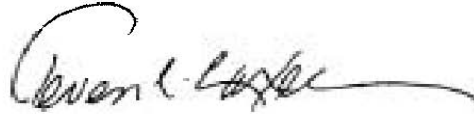

If you are in agreement, please sign below. Thank you for your assistance and cooperation in resolving this question.

Sincerely,

Sharyn Abernethy

OVERTIME/SHIFT DIFFERENTIAL

Definitions:

I. Employees will be classified as either exempt or non-exempt, based on the duties and responsibilities of the positions.

A. Exempt employees are salaried employees who meet one of the exemptions (administrative, executive, professional or agricultural) from the overtime provisions of the Fair Labor Standards Act (FLSA). Exempt employees, unless they are classified as exempt under the agricultural exemption or are firefighters, do not earn overtime, either as cash or compensatory time off (CTO).

B. Employees in exempt classifications may be appointed to 12-month, 10-month, 10/12, 11/12, or academic year assignments.

C. Exceptions:

Employees in the following exempt classifications have a workweek which consists of an average of 72 hours per week, including work time, standby time, and on-call time. Hours in excess of 312 in a month are compensated at time and one-half and are compensable in cash or CTO.

8830 Fire Apparatus Engineer – 12 month
8831 Fire Apparatus Engineer – 11/12
8832 Fire Apparatus Engineer – 10/12

Employees in the following exempt classifications meet the definition of exempt under the agricultural exemption of the FLSA and may earn CTO at the rate of time and one-half the hourly rate. Employees in these classifications, having earned more than 120 hours at the end of the calendar year, must be paid in cash by February 1 of the following year.

0638 Farm Laborer
0648 Crop Technician I
0651 Crop Technician II
0663 Livestock Technician I
0666 Livestock Technician II
0687 Feed Mill Operator

Employees in non-exempt classifications may be appointed to 12-month, 10-month, 10/12, 11/12, or academic year assignments. The full-time workweek for non-exempt classifications is a workweek of forty (40) hours within seven (7) consecutive 24-hour days or 168 consecutive hours.

A. Overtime for non-exempt employees is payable in cash or as CTO at the rate of time and one-half the hourly rate. Employees in Units 2, 5, 7 and 9, having earned more than 120 hours at the end of the calendar year, must be paid in cash by February 1 of the following year except as noted below. Paid leave is counted as time worked in determining overtime hours worked.

B. For the following classifications, earned CTO greater than 240 hours must be paid in cash in the pay period it was earned:

9688 Head Resident I
9687 Head Resident II

III. **SHIFT DIFFERENTIAL.** The following classifications are eligible to receive shift differential. No other classifications may receive shift differential.
